Dear Mr Ondřej Kovařík MEP,

On behalf of the GSMA, I am pleased to invite you to attend the GSMA Ministerial Programme 2023, an integral part of MWC Barcelona, taking place from 27 February to 1 March 2023. Please find attached the official invitation.

This unique event will be attended by industry CEOs, ministers, telecom regulators, data protection authorities and senior representatives of international organisations – all gathering to share knowledge, stimulate debate around current issues – and provide an opportunity to engage with mobile industry experts on policy and regulatory topics.

To accept this invitation and secure a complimentary Leader's pass, please RSVP to Pierantonio Rizzo at prizzo@gsma.com and ministerialprogramme@gsma.com by **Monday, 5 December 2022**.

Your presence at the Ministerial Programme is highly valued and we would be delighted if you could join us for this important event.

As part of this year's event, the GSMA and EIF will organize a joint high-level roundtable (on 26th February) and MEPs' visit to MWC Barcelona 2023 (on 27th February). You will receive a separate invitation for these activities from the EIF secretariat in the coming days.

Yours sincerely,

GSMA
