Dear Ms. Hübner,

I hope you are very well.

I am happy to invite you to the next Summer School for Female Leadership in the Digital Age, which will take place in **Valencia (Spain) 25-30th June**.

Applications closed last week with the highest number of candidacies ever. In fact, since we started this project in 2021, more than 9,000 candidates have applied to participate. We feel encouraged by their enthusiasm, which I would love to be able to share with you in person, as your support in previous editions has been truly valuable.

Therefore, I am pleased to invite you to:

- Serve again as an **Expert Judge**, evaluating the candidacies from Poland, and selecting the applicant that will represent your country in the upcoming edition. All the details of the selection process are in the enclosed letter.

- Participate as a **Speaker** in Valencia, at the panel of your choice or with a keynote speech at the Inaugural Ceremony (25th June) or the Farewell Gala (30th June). The agenda, and a letter with more information, are attached.

It would be lovely to have you there – you are such an inspiring role model for our future leaders!

Thank you and all the best,

Berta Herrero
