## Documents received for information

5. Green Paper on forest protection and information in the EU: preparing forests for climate change (SEC(2010)163 final)
COM(2010)0066
Responsible: ENVI -
Opinions: ITRE, REGI, AGRI
Decision: The coordinators decided that the committee should seek authorisation to draw up an own-initiative report on this paper. Decision on rapporteur to be taken once the authorisation has been granted.
6. Communication from the Commission to the European Parliament, the Council, the European Economic and Social Committee and the Committee of the Regions: Options for an EU vision and target for biodiversity beyond 2010 COM(2010)0004

Responsible: ENVI-
Opinions: DEVE, ITRE, AGRI, PECH

## Decision

The coordinators decided that the issues raised in this paper should be addressed expeditiously within the current INI -report on the application of biodiversity legislation within the EU (rapporteur: Ms De Lange). The coordinators also agreed that other options, such as tabling an Oral Question plus a draft resolution, might be considered at a later stage with a view to addressing specific problems such as the preparation of the Nagoya Conference on biodiversity.

## B. DECISIONS ON ADDITIONAL REPORTS/OPINIONS/RESOLUTIONS

## B.1. Appointment of a standing rapporteur for legislative planning

The papers for the meeting included an extract (Part B, Chapter 2) from the Second Interim Report of the Working Party on parliamentary reform.

## Decision

The coordinators noted that Ms Haug was the committee's standing rapporteur on the budget and decided to nominate Mr Seeber, co-coordinator of the EPP Group, rapporteur for legislative planning.

## B.2. Short-list of possible candidates for own-initiative reports

Authorised ongoing own-initiative reports (no more than 6 at any given time):
ป Action plan on Organ Donation and Transplantation (2009-2015): Strengthened cooperation between Member States (PERELLO - was adopted on 16 March)
$\square$ White Paper: Adapting to climate change: Towards a European framework for action (PRODI - was adopted on 16 March)

- Action against Cancer: European Partnership (PETELE - adoption on 7 April)
- A Community approach on the prevention of natural and man made disasters" (FERREIRA - adoption on 4 May)
- Management of bio-waste in the European Union (FERNANDES - adoption on 3 June)
- GDP and beyond (requested, but not yet authorised)
- Green Paper on forest protection and information in the EU: preparing forests for climate change (request for authorisation to be launched)

## Implementation report (only one per year)

- Implementation of EU legislation aiming at the conservation of biodiversity (DE LANGE - adoption on 2-3 June)

## Short-list of candidates for own-initiative reports:

- p.m. Commission communication on 'Safe, Innovative and Accessible Medicines: a Renewed Vision for the Pharmaceutical Sector' (COM(2008)666 - see coordinators' decision of 12 January $2009\left({ }^{1}\right)$ )
- p.m. Commission communication on ' on implementing European Community Environmental Law' (COM(2008)773) - see coordinators' decision of 12 January $2009\left({ }^{2}\right)$
- p.m. Report from the Commission to the Council and the European Parliament on the implementation of Council Regulation (EEC) No 259/93 of 1 February 1993 on the supervision and control of shipments of waste within, into and out of the European Community. Generation, treatment and transboundary shipment of hazardous waste and other waste in the Member States of the European Union, 2001-2006 (COM(2009)0282) - On 21 July and on 2 September 2009, the coordinators decided to return to this document for further consideration. - Background: This Commission report is a 10-page paper on the operation of the former Waste Shipment Regulation. There are similar problems arising from the application of its successor which entered into force in mid-2007.
- p.m. At their meeting of 30 September, the coordinators short-listed a Commission communication on 'a European initiative on Alzheimer's disease and other dementias' (COM(2009)0380) as a possible future own-initiative report
- p.m. Communication from the Commission to the European Parliament, the Council, the European Economic and Social Committee and the Committee of the Regions solidarity in health: Reducing health inequalities in the EU ( $\mathrm{COM}(2009) 0567$ ), see coordinators' decision of 5 November 2009: This communication was put on the shortlist for possible future own-initiative reports.
- p.m. "GDP and beyond" (document $\operatorname{COM}(2009) 0433$ ), coordinators' decision of 2 December 2009, a prerequisite for authorisation being a common understanding with the ECON committee as to how Rule 50 should be applied..

## B.3. Outlook: Future non-legislative Commission papers in the pipeline

## Outlook (major non-legislative texts in the pipeline as listed in the Commission's rolling programme):

- Climate Change: [adopted on 9 March 2010 - published as COM(2010)86, SEC(2010)261] International climate policy post-Copenhagen: Acting now to reinvigorate global action on climate change - official referral to ENVI for information expected soon (in time for the next coordinators' meeting)

The coordinators came to the conclusion that since the matter had been debated in plenary on 9 March 2010, there was no need to draw up a report on this paper.

## C. DECISIONS ON OTHER ISSUES

## C.1. EFSA Management Board - EP opinion on the appointment of 7 new members

The papers for the meeting included:

- a transmission letter of 5 March 2010 from Mr Piris to President Buzek
- a letter of 5 March 2010 from Mr Piris to President Buzek on the procedure and the deadline
- a summary on the selection process, together with a short-list (Council document 6896/10)
- a full list of candidates and their c.v.s (Council document 6896/10 ADD - 210 pages!)

## Proposed action

The coordinators

- heard MEP Liotard, the committee's contact person for relations with the EFSA
- agreed that a special evaluation meeting should be convened on 7 April 2010 (date and time to be confirmed subject to the availability of a suitable meeting room).
[Note on the procedure: The President of the European Parliament should inform the Council of Parliament's position within three months, that is before 8 June 2010 (the Council letter was officially received by Parliament on 8 March 2010).]
C.2. Application of Rule 50 to the 'CO2 emissions from light commercial vehicles (LCV) file

The papers for the meeting included a letter of 4 February 2010 from Mr Leinen to Mr Lehne.

## Decision

The coordinators

- heard Mr Callanan, rapporteur;
- invited Mr Callanan to proceed in close cooperation with the shadow rapporteurs;
- invited Mr Callanan and the Chair to negotiate (as foreseen by Rule 50) with their counterparts a list of those provisions of the draft regulation which should be considered as falling under the joint competence of both committees.

## Decision

The coordinators re-enacted the traditional mandate $\left({ }^{1}\right)$ of the Health Working Group and agreed that the EPP and the S\&D groups should nominate the two cochairs (Mr Peterle and Ms Willmott respectively).
C.4. Use of ENVI expertise budget - request bv Ms De Lange to authorise a workshop in
the context of the report on the implementation of biodiversity legislation

Decision

The coordinators took the decision of principle to authorise the organisation of a workshop in the last week of April, to be financed form ENVI's expertise budget.

Detailed specifications (on the basis of a concrete proposal from the rapporteur) would be refined in a written procedure with group staff, whereas indications as to the likely costs involved and the overall usage of the ENVI expertise budget in 2010 should be provided by Policy Department $A$.

## C.5. Use of ENVI expertise budget - request bv Ms Klaß to authorise a workshop on biocidal products

[Note: The proposed date for the workshop is the 15 th of April 2010, from 9h until 12h30.]

## Decision

The coordinators took a decision of principle to authorise the organisation of a workshop in mid-April, to be financed form ENVI's expertise budget.
The workshop would involve a participation of the IMCO committee, which is associated to the procedure under Rule 50.
Detailed specifications (on the basis of a concrete proposal from the rapporteur) would be refined in a written procedure with group staff, whereas indications as to the likely costs involved and the overall usage of the ENVI expertise budget in 2010 should be provided by Policy Department A.

[^2]
## Decision

The coordinators authorised the commissioning of briefing papers providing Members with background information in view of the delegation to Iceland.

These briefings would address topical environmental, public health and food safety issues in Iceland, e.g.

- an analysis of the acquis communautaire, especially in the fields of the environment, public health and food safety, which Iceland is required to apply under the EEA agreement
- the state of play of accession negotiations
- climate change and Iceland's role in developing alternative sources of energy, in particular geothermal energy
- biodiversity issues, in particular fisheries and whaling

## C.6.2. Delegation to Iceland (25-28 May 2010) - information on composition of the delegation

## Decision

The coordinators noted that currently only the EPP and the S\&D group had put forward names of possible participants.

## C.7. Letter from Mr Rübig on STOA projects for ENVI

- Letter of 11 February from Mr RÜBIG to Mr LEINEN on the new STOA project proposals

## Decision

The coordinators decided to return to the matter at their next meeting.
C.8. Comitology - RPS - objection pursuant to Rule 88 against the Draft Commission Decision laying down criteria and measures for the financing of commercial demonstration projects that aim at the environmentally safe capture and geological storage of CO2 as well as demonstration projects of innovative renewable energy technologies under the ETS

## Decision

1. The coordinators decide not to appoint a rapporteur in the meaning of Rule 88. Consequently the objectors are invited to present a draft resolution.
2. The timetable shall be as follows: (Note: The overall deadline for Parliament to react ends on 25 May.)
$>$ Draft resolution should be ready by 25 March 2010 (only English)
$>$ A discussion might held in committee on 6/7 April 2010 (subject to the availability of sufficient time)
$>$ Deadline for amendments (only in English) 8 April 18.00
$>$ Vote in committee: 26-28 April 2010
$>$ Plenary vote: 17-20 May 2010

## C.9. Amflora - request to invite Commissioner Dalli to the committee

The papers for the meeting include the two Amflora decisions adopted by the Commission on 2 March 2010.

## Decision

The coordinators

- heard Ms Liotard
- noted that the Commissioner had presented his decision to the coordinators on 1 March, before the formal adoption of the decision by the Commission on 2 March and
- noted that Commissioner Dalli was expected to address the committee in the context of the 'structured dialogue' exercise in the course of April/May.
C.10-Comitology - RoS - objection against three genetically modified maizes"

Awaiting the appearance of Commissioner Dalli in the committee, the decision on the procedure was postponed.

## C.11. Functioning of REACH and ECHA - request to send a letter to Commissioners Potočnik and Tajani

Decision

The coordinators agreed to Ms Hassi's proposal that a letter on topical issues related to the functioning of REACH and the European Chemicals Agency be sent to the two Commissioners before their visit to the Agency on 25 March 2010. The wording of that letter would be circulated to the coordinators by email before its being signed by the chairman.

## p.m.: Upcoming issues:

- Delegation to EFSA on 23/24 June (tbc)
- Timetable of the Fjellner report (possible application of Rule 53)
- Involvement in possible post-Bonn ministerial conference/preparations for COP16

## D. DOCUMENTS FOR INFORMATION

1) Letter of 9 February 2010 from Mr Madelin to Mr Leinen: Invitation to participate in the evaluation in the Pandemic (H1N1) 2009
2) Letter of 11 February 2010 from Commissioner Potočnik to Mr Leinen on priorities of ENVI portfolio
3) Letter of 11 March 2010 from Mr Lehne to President Buzek on deadlines for the consultation of the Committee of the Regions and of the European Economic and Social Committee
4) Letter of 8 (?) March 2010 from Mr Bastarreche, Chairman of Coreper II, informing Mr Leinen that it would not be possible for EP observers to attend EU coordination meetings at CITES COP-15 in Doha.
5) Letter of 4 March 2010 from Mr Bastarreche, Chairman of Coreper II, informing President Buzek inter alia that it would not be possible for EP observers to attend EU coordination meetings at CITES COP-15 in Doha.

[^1]:    ${ }^{1}$ The coordinators agreed that the (then) PES Group should have the right to take up the matter after the elections in the procedurally most appropriate form.
    ${ }^{2}$ The coordinators agreed that the committee should continue to deal with the matter after the elections in the procedurally most appropriate form.

[^2]:    ${ }^{1}$ The remit of the Health Working Group is to follow the implementation of the Health Action Programme and to discuss any healthissues that could not be discussed in the full committee due time constraints and bring, if necessary, those issues to the attention of the full committee.
