COUNCIL DECISION

**on the conclusion of the Agreement between the European Community and the
Principality of Liechtenstein providing for measures equivalent to those laid down in
Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form
of interest payments**

(presented by the Commission)

EXPLANATORY MEMORANDUM

By its decision of 16 October 2001, the Council authorised the Commission to negotiate appropriate agreements with Switzerland, the United States of America, Andorra, Liechtenstein, Monaco and San Marino to ensure that these countries adopt measures equivalent to those to be applied within the Community to ensure effective taxation of savings income in the form of interest payments. The Commission was instructed to conduct these negotiations in close conjunction with the Presidency of the Council, and in close and regular consultation with the High-Level Working Party set up by Coreper Decision of 13 June 2001¹ and appointed by the Council as a special committee to assist the Commission in that task.

Following the decision of 16 October 2001, the Commission wrote to the above non-EU countries to request the opening of negotiations even though it was only after the ECOFIN Council's approval of a text of the draft directive, on 13 December 2001, that the negotiations could really begin. A large number of meetings at both political and technical level have since been held. In accordance with the Council decision of 16 October 2001, the Commission conducted the negotiations in close conjunction with successive Presidencies of the Council. It made regular oral progress reports to the Council and Parliament, and presented a communication on the negotiations with third countries on taxation of savings income to the ECOFIN Council on 3 December 2002.²

On 3 June 2003 the Council stated that the draft agreement with Switzerland submitted by the Commission on 28 May 2003 constituted the final offer for an agreement between the EU and Switzerland. The Council minutes also state:

“The four elements of this agreement relating to savings taxation also constitute the basis for agreements between the European Union and Liechtenstein, Andorra, Monaco and San Marino...”

On 21 January 2003 the Council identified these four elements as:

“- Retention and withholding: Switzerland will apply the same rates of retention and withholding as Belgium, Luxembourg and Austria ...

- Revenue sharing: Switzerland will share the revenue of the retention tax and will accept the 75/25 division applied within the Community ...

- Voluntary disclosure of information

Review clause stating that “The Contracting Parties shall consult with each other at least every three years or at the request of either Contracting Party with a view to examining and – if deemed necessary by the Contracting Parties – improving the technical functioning of the Agreement. In any event when Belgium, Luxembourg and Austria change from withholding tax to automatic exchange of information in accordance with the Directive, the Contracting Parties shall consult each other in order to examine whether the changes to the Agreement are necessary taking into account international developments.

¹ OJ C 183, 29.6.2001, p. 1.

² SEC (2002) 1287 final, 27.11.2002.

Switzerland grants exchange of information on request for criminal or civil cases of fraud or similar misbehaviour on the part of taxpayers... ”.

The Agreement with Liechtenstein, which includes these four elements, is now being presented to the Council for signature and conclusion. It is accompanied by a Memorandum of Understanding between the European Community and its Member States, of the one part, and the Principality of Liechtenstein of the other part. In accordance with the conclusions of the ECOFIN Council of 21 January 2003, the Memorandum of Understanding confirms that within the transition period provided for by Council Directive 2003/48/EC of 3 June 2003,³ the European Community will enter into discussions with other important financial centres with a view to promoting adoption by those jurisdictions of measures equivalent to those applied by the Community. The Memorandum of Understanding also provides that the agreed measures will be implemented in good faith and that the Parties will not act unilaterally to undermine this arrangement without due cause. Should any significant difference between the scope of Council Directive 2003/48/EC and that of the Agreement, in particular with regard to Article 6 of the Agreement, be discovered, the Contracting Parties will immediately enter into discussions with a view to ensuring that the equivalent nature of the measures provided for by the Agreement is maintained. As regards the exchange of information, the Memorandum of Understanding provides that the Principality of Liechtenstein undertakes to make its best endeavour to determine without delay the acceptability of a duly justified request in accordance with its procedural laws. The Memorandum of Understanding further states that European Union and its Member States will take into account Liechtenstein's decision to provide for measures equivalent to the Directive in their co-operation with Liechtenstein including co-operation on fiscal matters. The signatories agree that in the context of the negotiations foreseen on the exchange of information as set out in Article 10(4) of the Agreement, either party may raise in parallel other taxation issues, including issues related to the elimination of double taxation of income.

The Commission considers that the text of the Agreement is in accordance with the negotiating directives adopted by the Council on 16 October 2001. The Council gave its political agreement to the text on 2 June this year and the Council High-Level Working Party mentioned above confirmed its consensus on the details of the Agreement and of the accompanying Memorandum of Understanding on 9 June.

The Commission proposes that the Council approve the attached proposals:

- for a decision on the signature of the Agreement providing for measures equivalent to those laid down in Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments, and on the approval and signature of the accompanying Memorandum of Understanding, and
- for a decision on the conclusion of the above Agreement under the procedures set by Article 300 of the Treaty establishing the European Community.

Article 300(2) of the Treaty establishing the European Community stipulates that the Council shall act unanimously when the Agreement covers a field for which unanimity is required for the adoption of internal rules. As the internal rules in the field covered by this Agreement have been adopted on the basis of Article 94 of the Treaty, the Commission considers that the

³ OJ L 157, 26.6.2003, p. 38.

Council should act unanimously to approve the proposal for a decision. According to the ECOFIN Council conclusions of 21 January 2003, the Council agrees that the Agreement with the Principality of Liechtenstein should also be adopted on the basis of unanimity.

Agreement
between
the European Community
and
the Principality of Liechtenstein
providing for measures equivalent to those laid down in
Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income
in the form of interest payments⁸

The European Community, hereinafter referred to as Community, and
the Principality of Liechtenstein, hereinafter referred to as Liechtenstein,
or as a “Contracting Party” or the “Contracting Parties” as the context may require,
reaffirming the common interest in further developing the privileged relationship between
the Community and Liechtenstein, have agreed to conclude the following Agreement:

Article 1

Retention by Liechtenstein Paying Agents

- (1) Interest payments which are made to beneficial owners within the meaning of Article 4 who are residents of a Member State of the European Union, hereinafter referred to as Member State, by a paying agent established on the territory of Liechtenstein, shall, subject to Article 2, be subject to a retention from the amount of the interest payment. The rate of retention shall be 15% during the first three years from the date of application of this Agreement, 20% for the subsequent three years and 35% thereafter.
- (2) Liechtenstein shall take the necessary measures to ensure that the tasks required for the implementation of this Agreement are carried out by paying agents established within the territory of Liechtenstein and specifically provide for provisions on procedures and penalties.

⁸ Hereafter referred to as the Directive

Article 2

Voluntary disclosure

- (1) Liechtenstein shall provide for a procedure which allows the beneficial owner as defined in Article 4 to avoid the retention specified in Article 1 by expressly authorising his paying agent in Liechtenstein to report the interest payments to the competent authority of that Member State. Such authorisation shall cover all interest payments made to the beneficial owner by that paying agent.
- (2) The minimum amount of information to be reported by the paying agent in case of express authorisation by the beneficial owner shall consist of:
 - a) the identity and residence of the beneficial owner established in accordance with Article 5;
 - b) the name and address of the paying agent;
 - c) the account number of the beneficial owner or, where there is none, identification of the debt-claim giving rise to the interest, and
 - d) the amount of the interest payment calculated in accordance with Article 3.
- (3) The competent authority of Liechtenstein shall communicate the information referred to in paragraph 2 to the competent authority of the Member State of residence of the beneficial owner. Such communications shall be automatic and shall take place at least once a year, within 6 months following the end of the tax year in Liechtenstein, for all interest payments made during that year.
- (4) Where the beneficial owner opts for this voluntary disclosure procedure or otherwise declares his interest income obtained from a Liechtenstein paying agent to the tax authorities in his Member State of residence, the interest income concerned shall be subject to taxation in that Member State at the same rates as those applied to similar income arising in that State.

Article 3

Basis of assessment for retention

- (1) The paying agent shall withhold the retention in accordance with Article 1 (1) as follows:
 - a) in the case of an interest payment within the meaning of Article 7 (1) (a): on the gross amount of interest paid or credited;

- b) in the case of an interest payment within the meaning of Article 7 (1) (b) or (d): on the amount of interest or revenue referred to in those subparagraphs;
 - c) in the case of an interest payment within the meaning of Article 7 (1) (c): on the amount of interest referred to in that subparagraph.
- (2) For the purposes of paragraph 1, the retention shall be deducted on a pro rata basis for the period during which the beneficial owner holds a debt-claim. If the paying agent is unable to determine the period on the basis of the information made available to him, the paying agent shall consider the beneficial owner to have been in possession of the debt-claim for the entire period of its existence, unless the latter provides evidence of the date of acquisition.
- (3) Taxes and retentions other than the retention provided for in this Agreement on the same payment of interest shall be credited against the amount of the retention calculated in accordance with this Article. This in particular includes the Liechtenstein Couponsteuer at a rate of 4%.

Article 4

Definition of beneficial owner

- (1) For the purposes of this Agreement “beneficial owner“ shall mean any individual who receives an interest payment or any individual for whom an interest payment is secured, unless such individual can provide evidence that the interest payment was not received or secured for his or her own benefit. An individual is not deemed to be the beneficial owner when he or she:
 - a) acts as a paying agent within the meaning of Article 6 or
 - b) acts on behalf of a legal person, an investment fund or a comparable or equivalent body for common investments in securities or
 - c) acts on behalf of another individual who is the beneficial owner and who discloses to the paying agent his or her identity and state of residence.
- (2) Where a paying agent has information suggesting that the individual who receives an interest payment or for whom an interest payment is secured may not be the beneficial owner, that agent shall take reasonable steps to establish the identity of the beneficial owner. If the paying agent is unable to identify the beneficial owner, that paying agent shall treat the individual in question as the beneficial owner.

Article 5

Identity and residence of beneficial owners

In order to establish the identity and residence of the beneficial owner as defined in Article 4, the paying agent shall keep a record of the name, first name, address and residence details in accordance with the Liechtenstein legal provisions against money laundering. For contractual relations entered into, or transactions carried out in the absence of contractual relations, on or after 1 January 2004, for individuals presenting a passport or official identity card issued by a Member State who declare themselves to be resident in a State other than a Member State or Liechtenstein, residence shall be established by means of a tax residence certificate issued by the competent authority of the State in which the individual claims to be resident. Failing the presentation of such a certificate, the Member State which issued the passport or other official identity document shall be considered the State of residence.

Article 6

Definition of paying agent

For the purposes of this Agreement, “paying agent” in Liechtenstein shall mean banks under Liechtenstein banking law, securities dealers, natural and legal persons resident or established in Liechtenstein including economic operators regulated by the Liechtenstein Persons-and-Companies Act (PGR), partnerships and permanent establishments of foreign companies, which even occasionally, accept, hold, invest or transfer assets of third parties or merely pay or secure the payment of interest in the course of their business.

Article 7

Definition of Interest Payment

- (1) For the purposes of this Agreement “interest payment” shall mean:
- a) interest paid, or credited to an account, relating to debt-claims of every kind including interest paid on fiduciary deposits by Liechtenstein paying agents for the benefit of beneficial owners as defined in Article 4, whether or not secured by mortgage and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures, but excluding interest from loans between private individuals not acting in the

course of their business. Penalty charges for late payment shall not be regarded as interest payments;

- b) interest accrued or capitalised at the sale, refund or redemption of the debt-claims referred to in (a);
 - c) income deriving from interest payments either directly or through an entity referred to in Article 4 (2) of Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments, hereafter referred to as the "Directive", distributed by
 - (i) undertakings for collective investment domiciled in a Member State or in Liechtenstein,
 - (ii) entities domiciled in a Member State, which exercise the option under Article 4 (3) of the Directive and which inform the paying agent of this fact,
 - (iii) undertakings for collective investment established outside the territory of the Contracting Parties,
 - d) income realised upon the sale, refund or redemption of shares or units in the following undertakings and entities, if they invest directly or indirectly via other undertakings for collective investment or entities referred to below more than 40% of their assets in debt-claims as referred to in (a):
 - (i) undertakings for collective investment domiciled in a Member State or in Liechtenstein,
 - (ii) entities domiciled in a Member State, which exercise the option under Article 4 (3) of the Directive and which inform the paying agent of this fact,
 - (iii) undertakings for collective investment established outside the territory of the Contracting Parties.
- (2) As regards subparagraph 1 (c), when a paying agent has no information concerning the proportion of the income which derives from interest payments, the total amount of the income shall be considered an interest payment.
- (3) As regards subparagraph 1 (d), when a paying agent has no information concerning the percentage of the assets invested in debt-claims or in shares or units as defined in that subparagraph, that percentage shall be considered to be above 40 %. Where that agent cannot determine the amount of income realised by the beneficial owner, the income shall be deemed to correspond to the proceeds of the sale, refund or redemption of the shares or units.

- (4) Income relating to undertakings or entities which have invested up to 15% of their assets in debt-claims within the meaning of subparagraph 1 (a) shall not be considered an interest payment in accordance with subparagraph 1(c) and (d).
- (5) The percentage referred to in subparagraph 1 (d) and paragraph 3 shall, as from 1 January 2011, be 25 %.
- (6) The percentages referred to in subparagraph 1 (d) and paragraph 4 shall be determined by reference to the investment policy as laid down in the fund rules or instruments of incorporation of the undertakings or entities concerned and, failing such rules, by reference to the actual composition of the assets of the undertakings or entities concerned.

Article 8

Revenue sharing

- (1) Liechtenstein shall keep 25 % of the revenue generated by the retention under this Agreement and transfer 75 % of the revenue to the Member State of residence of the beneficial owner.
- (2) Such transfers shall take place for each year in one instalment per Member State at the latest within a period of 6 months following the end of the tax year in Liechtenstein.

Article 9

Elimination of double taxation

- (1) If interest received by a beneficial owner has been subject to retention by a paying agent in Liechtenstein, the Member State of residence for tax purposes of the beneficial owner shall grant him a tax credit equal to the amount of the retention. Where this amount exceeds the amount of tax due on the total amount of interest subject to retention in accordance with its national law, the Member State of residence for tax purposes shall repay the excess amount of tax withheld to the beneficial owner.
- (2) If interest received by a beneficial owner has been subject to taxes and retentions other than as provided for in this Agreement and the Member State of residence for tax purposes grants a tax credit for such taxes and retentions in accordance with its national law or double taxation conventions, such other taxes and retentions shall be credited before the procedure in paragraph 1 is applied. The Member State of residence for tax purposes shall accept certificates issued by Liechtenstein paying agents as proper evidence of the tax or retention on the

understanding that the competent authority of the Member State of residence for tax purposes will be able to obtain from the Liechtenstein competent authority verification of the information contained in the certificates issued by Liechtenstein paying agents.

- (3) The Member State of residence for tax purposes of the beneficial owner may replace the tax credit mechanism referred to in paragraphs 1 and 2 by a refund of the retention referred to in Article 1.

Article 10

Exchange of information

- (1) The competent authorities of Liechtenstein and any Member State shall exchange information on conduct constituting tax fraud under the laws of the requested State, or the like for income covered by this Agreement. "The like" includes only offences with the same level of wrongfulness as is the case for tax fraud under the laws of the requested State. In response to a duly justified request, the requested State shall provide in accordance with its procedural laws information with respect to matters that the requesting State is investigating, or may investigate, on a civil or criminal basis. Any information received by Liechtenstein or a Member State shall be treated as secret in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with assessment or collection of, the enforcement or prosecution in respect of, or the determination of appeals in relation to taxes on income covered by the Agreement. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.
- (2) In determining whether information may be provided in response to a request, the requested State shall apply the statute of limitations applicable under the laws of the requesting State instead of the statute of limitations of the requested State.
- (3) The requested State shall provide information where the requesting State has a reasonable suspicion that the conduct would constitute tax fraud or the like. The requesting State's suspicion of tax fraud or the like may be based on:
 - a) Documents, whether authenticated or not, and including but not limited to business records, books of account, or bank account information;
 - b) Testimonial information from the taxpayer;

- c) Information obtained from an informant or other third person that has been independently corroborated or otherwise is likely to be credible; or
 - d) Circumstantial evidence.
- (4) If requested by any of the Member States, Liechtenstein shall enter into bilateral negotiations with that State in order to define individual categories of cases falling under "the like" in accordance with the procedure of taxation applied by that State.

Article 11

Competent Authorities

For the purposes of this Agreement the competent authorities shall mean those authorities listed in Annex I.

Article 12

Consultation

If any disagreement arises between the competent authority of Liechtenstein and one or more of the other competent authorities referred to in Article 11 as to the interpretation or application of this Agreement, they shall endeavour to resolve this by mutual agreement. They shall immediately notify the Commission of the European Communities and the competent authorities of the other Member States of the results of their consultations. In relation to issues of interpretation the Commission may take part in consultations at the request of any of the competent authorities.

Article 13

- (2) On the basis of such an assessment, the Contracting Parties may consult each other in order to examine whether changes to this Agreement are necessary taking into account international developments.

- (4) For the purposes of the consultations referred to in paragraphs 1, 2 and 3 each Contracting Party shall inform the other Contracting Party of possible developments which could affect the proper functioning of this Agreement. This shall also include any relevant agreement between one of the Contracting Parties and a third State.

Article 14

Relationship to bilateral Double Taxation Conventions

The provisions of the double taxation conventions between Liechtenstein and the Member States shall not prevent the levying of the retention for which this Agreement provides.

Article 15

Transitional provisions for negotiable debt securities⁹

- (1) From the date of application of this Agreement for as long as at least one Member State also applies similar provisions, and until 31 December 2010 at the latest domestic and international bonds and other negotiable debt securities which have been first issued before 1 March 2001 or for which the original issuing prospectuses have been approved before that date by the competent authorities of the issuing State shall not be considered as debt-claims within the meaning of Article 7 (1) (a) of this Agreement, provided that no further issues of such negotiable debt securities are made on or after 1 March 2002.

If a further issue is made on or after 1 March 2002 of an aforementioned negotiable debt security issued by any other issuer not covered by the fourth subparagraph, such further issue shall be considered a debt-claim within the meaning of Article 7 (1) (a).

Article 16

Signing, Entry into force and Duration of Validity

- (1) This Agreement requires ratification or approval by the Contracting Parties in accordance with their own procedures. The Contracting Parties shall notify each other of the completion of these procedures. The Agreement shall enter into force on the first day of the second month following the last notification.

- (2) Subject to the fulfilment of the constitutional requirements of Liechtenstein and the requirements of Community law concerning entering into international agreements and without prejudice to Article 17, Liechtenstein and where applicable the Community shall effectively implement and apply this Agreement by 1 July 2005 and notify each other thereof.
