COM(2005) 180 final

2005/0068 (CNS)

Proposal for a

COUNCIL REGULATION

imposing certain specific restrictive measures directed against certain persons impeding the peace process and breaking international law in the conflict in the Darfur region in Sudan

(presented by the Commission)

EXPLANATORY MEMORANDUM

1. In view of recent developments in Sudan, and notably the continued violations of the N'djamena Ceasefire agreement of 8 April 2004 and the Abuja Protocols of 9 November 2004 by all sides in Darfur and the failure of the Government of Sudan and rebel forces and all other armed groups in Darfur to comply with their commitments and the demands of the Security Council, the United Nations Security Council decided on 29 March 2005 to enlarge the scope of the restrictive measures in force against Sudan.
2. The extended restrictive measures decided by the Security Council in its Resolution 1591 (2005) include, *inter alia*, the application, as of 28 April 2005, of the freezing of funds and economic resources of persons designated by the United Nations as impeding the peace process, constituting a threat to stability in Darfur and the region, committing either violations of international humanitarian or human rights law, or other atrocities, violating the arms embargo or being responsible for certain offensive military flights.
3. The freezing of funds and economic resources of designated persons falls within the scope of the Treaty. The proposed measures are similar to those imposed by means of Regulation (EC) No 881/2002 imposing certain specific restrictive measures directed against certain persons and entities associated with Usama bin Laden, the Al-Qaida network and the Taliban, and by means of Regulation (EC) No 1763/2004 imposing certain restrictive measures in support of effective implementation of the mandate of the International Criminal Tribunal for the former Yugoslavia (ICTY), to give but two examples.
4. As the freezing of funds and economic resources serves the objective of promoting international peace and security, the Council should adopt a Common Position calling for Community action, based on Article 15 of the Treaty on European Union (CFSP) for the Regulation to be in line with the Treaty establishing the European Community.

Proposal for a

COUNCIL REGULATION

imposing certain specific restrictive measures directed against certain persons impeding the peace process and breaking international law in the conflict in the Darfur region in Sudan

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Articles 60, 301 and 308 thereof,

Having regard to Common Position 2005/xxx/CFSP of xx April 2005 concerning restrictive measures against Sudan,¹

Having regard to the proposal from the Commission²,

Having regard to the opinion of the European Parliament³,

Whereas:

- (1) In its Resolution 1591 (2005) of 29 March 2005, the UN Security Council, acting under Chapter VII of the Charter of the United Nations, and deploring strongly that the Government of Sudan and rebel forces and all other armed groups in Darfur have failed to comply with their commitments and the demands of the Security Council, decided to impose certain additional restrictive measures in respect of Sudan.
- (2) Common Position 2005/XXX/CFSP provides, inter alia, for implementation of the freezing of funds and economic resources of those persons designated by the competent United Nations Sanctions Committee, who impede the peace process, constitute a threat to stability in Darfur and the region, commit violations of international humanitarian or of human rights law or other atrocities, violate the arms embargo or are responsible for certain offensive military flights. These measures fall within the scope of the Treaty and, therefore, in order to avoid any distortion of competition, Community measures are necessary to implement them as far as the Community is concerned.
- (3) For the purpose of this Regulation, the territory of the Community is deemed to encompass the territories of the Member States to which the Treaty is applicable, under the conditions laid down in that Treaty.

The financial institution shall inform the competent authorities about such transactions without delay.

Article 7

1. Without prejudice to the applicable rules concerning reporting, confidentiality and professional secrecy and to the provisions of Article 284 of the Treaty, natural and legal persons, entities and bodies shall:
