

Brexit: What next for Britain and Europe?

The United Kingdom's vote on 23 June to leave the European Union has sent shockwaves through political institutions and financial markets worldwide, prompting intense debate among analysts, politicians and citizens about the long-term implications of an event already dubbed as the most important in the recent history of the EU.

This note offers links to **recent commentaries and reports published by major international think tanks** in reaction to the UK referendum. More studies on issues raised by the vote can be found in a [previous edition](#) of 'What Think Tanks are thinking' from June 2016.
