16. Order of business

The final draft agenda for the sitting of novembre II 2018 (*PE 631.067/PDOJ*) had been distributed and the following changes had been proposed (Rule 149 bis):

Wednesday

After consulting the political groups, the President proposed the following changes:

- after the debate entitled 'the Future of Europe' (*item 41 of the final draft agenda*), the sequence of the first two items had been reversed; the first item on the agenda at 17.30 would therefore be the Commission declaration on the 'Strategy for long-term EU greenhouse gas emissions reduction in accordance with the Paris agreement' (*item 46 of the final draft agenda*), and this would be followed by the Commission declaration on the 'Single Market package' (*item 24 of the final draft agenda*);

- the debate on the report by Wajid Khan on the 'Defence of academic freedom in the EU's external action' (A8-0403/2018) would be added to the agenda before the one-minute speeches (*item 2 of the final draft agenda*); the sitting would therefore be extended to midnight.

Thursday

After consulting the political groups, the President proposed the following changes:

- following the lack of agreement prior to the end of the conciliation period, the debate on the '2019 budgetary procedure: result of the conciliation committee' (*item 47 of the final draft agenda*) was postponed;

- a debate on the Council and Commission statements on 'The UK's withdrawal from the European Union' had been inserted as the first item on the agenda;

- the vote on the following reports – all connected to the budgetary procedure – was postponed: the report by Siegfried Mureşan on the 'Draft amending budget No 6/2018: reduction of payment and commitment appropriations (own resources)' (*item 19 of the final draft agenda*); the report by Daniele Viotti on 'Mobilisation of the Flexibility Instrument to finance immediate budgetary measures to address the on-going challenges of migration, refugee inflows and security threats' (*item 38 of the final draft agenda*); and the report by Lefteris Christoforou on 'Mobilisation of the European Union Solidarity Fund to provide for the payment of advances in the EU general budget for 2019' (*item 14 of the final draft agenda*);

In addition, the following items had been added directly to the votes: the report by Miriam Dalli on the 'Re-commitment of the remaining amounts committed to support the implementation of the Council Decisions (EU) 2015/1523 and (EU) 2015/1601 or the allocation thereof to other actions under the national programmes' (A8-0370/2018) and the objection, pursuant to Rule 106, to the 'authorisation for certain uses of sodium dichromate'.

Parliament agreed to these proposals.
