MINUTES

THURSDAY 4 JULY 2019

IN THE CHAIR: David Maria SASSOLI
President

1. Opening of the sitting

The sitting opened at 9.08.

2. Composition of committees

The President announced that he had received nominations for membership of the parliamentary committees from the political groups and the non-attached Members, in accordance with Rule 209.

The lists of Members nominated to form the parliamentary committees would be published on Parliament's website and would be annexed to these minutes (*minutes of 4.7.2019 annex 1*).

3. Election of Quaestors

Parliament elected its Quaestors in accordance with Rule 18.

The President announced that he had received nominations for the office of Quaestor as follows: Monika Beňová, Gilles Boyer, David Casa, Karol Karski and Anne Sander.

The candidates confirmed their nominations.

The President said that, because there were fewer candidates than the number of seats to be filled, the candidates were declared to have been elected, in accordance with Rule 15(1). He confirmed that, in accordance with Rule 18 and Rule 17(2), a secret ballot would be held, by electronic vote, to determine their order of precedence. He advised the House of the procedure to be followed.

The vote was taken.

The President read out the results of the ballot:

- Members voting: 574

- Blank or void: 71

- Votes cast: 503

Votes obtained in descending order:

Anne Sander: 407

Monika Beňová: 391

David Casa: 391

Gilles Boyer: 317

Karol Karski: 261

In accordance with Rule 18 and Rule 17(2), the Quaestors' order of precedence was determined by the number of votes they received and, where two members received the same number of votes, by age.

(The list of Members voting is annexed to these minutes.) (minutes of 4.7.2019 annex 2)

(The sitting was suspended at 9.19.)

4. Resumption of the sitting

The sitting resumed at 10.39.

Parliament agreed to this and approved the minutes.

7. Approval of the minutes of the sitting and forwarding of texts adopted

**GROUP OF THE PROGRESSIVE ALLIANCE OF SOCIALISTS AND DEMOCRATS IN
THE EUROPEAN PARLIAMENT (S&D):**

NOTIFICATION TO THE PRESIDENT OF THE EUROPEAN PARLIAMENT

ESTABLISHMENT OF A POLITICAL GROUP PURSUANT TO RULE 33 OF PARLIAMENT'S
RULES OF PROCEDURE
STATEMENT

S&D political declaration:

'We, the progressives of the European Parliament, members of the S&D Group, are the heirs to the long tradition of those who struggle for social and tax justice, equity and solidarity. We stand for the protection of our natural environment and seek to prevent climate disaster. We propose a new social contract for Europe, based on United Nations sustainable development goals, as well as a just transition of European welfare states into European social-ecological states, including strong workers' rights, upward social and geographical cohesion as well as legal immigration. We fight for full gender equality and against all forms of discrimination as stated in the EU Charter of Fundamental Rights. We believe in the rule of law and fight to guarantee it within national, European and international legal

orders.

We are committed to reforming our European Union to make it more democratic, more effective and with greater solidarity, able to compete with other global powers, and proud to lead the world on human rights, sustainable development, migration and peace, thereby providing a vision for a different, people-oriented, fair and equitable globalisation. We are committed to leading and shaping globalisation according to our principles and our values, to defending multilateralism and to fortifying the strong economic and technological standing of the European Union.

We, the progressives of Europe represented in the S&D Group, are committed to representing and voicing the expectations of the European people and ensuring that the EU leads the world in the defence of human rights, sustainable development and peace, as well as a safe and healthy environment for all.'

RENEW EUROPE GROUP:

NOTIFICATION TO THE PRESIDENT OF THE EUROPEAN PARLIAMENT
ESTABLISHMENT OF A POLITICAL GROUP PURSUANT TO RULE 33 OF PARLIAMENT'S
RULES OF PROCEDURE
STATEMENT

The Renew Europe Group is hereby established.

'The purpose of the group will be: Charter for Renew Europe

A historic moment

This is a historic moment. The 2019 elections were the chance for citizens to choose which Europe they want to live in. By showing up in larger numbers than ever before, Europeans voted to give us a stronger voice to achieve a stronger Europe for the future.

Our Group has already made our choice.

For us, there was always only one way forward. For us, Europe is our future and is well worth fighting for. The European Union has the chance to renew itself and be able to deliver on the bigger issues, deliver on the expectations of our citizens and deliver tangible added-value enabling them to understand how it positively affects their lives. Our commitment is clear: it is because we believe in the future of Europe that we want to change it!

Our Europe, one Europe

For the European Union to be strong, it must be both a project of European unification after the Cold War as well as the post-World War II peace project. Reuniting Europe through a genuine and deep process of integration of all European countries, from East to West and from North to South, must remain a key element of our Europe of the future.

Reclaiming the promises of Europe

We propose to reclaim the original European values: peace, freedom, prosperity, in a time of climate crisis, conflicts at our borders, terrorism, economic challenges and lasting unemployment within our continent. All over Europe citizens are demanding more action. We want to rekindle the humanistic identity of Europe by always putting the citizens at the core of our priorities. Economic growth, environmental sustainability, fair competition, convergence rights and responsibility go hand in hand. A united Europe is a better tool for finding solutions for a balanced response to migration flows, to invest increasingly in innovation and in skills and drive the digital transition.

Sustainable continent for future generations

We need to take responsibility where others are doubting the ecological imperative. Because the reinvention of Europe will only make sense if future generations can live in a preserved environment and successfully make the transition towards sustainable and circular use of our finite resources. We have all made promises in Paris 2015 and now is the time to deliver on them with effective instruments and a strictly technology-neutral approach. We will make this our priority. For us, the ecological imperative goes hand in hand with delivering economic prosperity. They are mutually inclusive.

Promoting democracy and defending the rule of law, human and fundamental rights

The Union we want is one in which democracy and the right of every human is fully respected. Fair elections, opposition rights, and a free press and media as well as free sciences and academic teaching. We also need to do more in order to safeguard the right of all citizen, gender equality, the fight against xenophobia protection of national and cultural minorities and ensure the society we live in remains tolerant. We firmly reject the nationalist or illiberal movements that are surging in some parts of Europe.'

IDENTITY AND DEMOCRACY GROUP (ID):

NOTIFICATION TO THE PRESIDENT OF THE EUROPEAN PARLIAMENT

ESTABLISHMENT OF A POLITICAL GROUP PURSUANT TO RULE 33 OF PARLIAMENT'S RULES OF PROCEDURE STATEMENT

The Identity and Democracy Group (abbreviation: ID) is hereby established.

The purpose of the group will be:

Political declaration

'The Members of the Identity and Democracy Group base their political project on the

upholding of freedom, sovereignty, subsidiarity and the identity of the European peoples and nations. They acknowledge the Greek-Roman and Christian heritage as the pillars of European civilization.

They advocate voluntary cooperation between sovereign European nations, and therefore reject any further evolution toward a European superstate. The Members of the ID Group acknowledge that the nation State is the highest possible level in which democracy can fully function. They oppose any new transfer of power from the nations to the European Union.

Inspired by the idea of a Europe of cooperation, the new alliance and its Members are conscious of the need to deeply reform the existing EU in a way to strengthen the principles of subsidiarity and democracy, to introduce direct democracy as well as to implement more transparency and accountability in the decision-making process.

The ID Group aims to safeguard the identity of the citizens and nations in Europe. The right to control, regulate and limit immigration is a fundamental principle shared by the Members of the Group. So is their willingness to fight for a safer Europe with well-protected external borders and a stronger cooperation to tackle terrorism and islamisation. The Members unequivocally oppose the possible accession of Turkey.

The members of the Group are strongly committed to the defense of the rule of law and individual freedom, with a particular emphasis on the protection of freedom of speech. They reject any past or present affiliation, connection or sympathy to any authoritarian or totalitarian project. They are not interested to revive disputes related to the past, but are instead fully focussed on the present and the future of Europe.

Priorities of the Group for the 2019-2024 term

- Member States have the right to take back parts of the sovereignty they lost to the EU. No new competences should be transferred to the EU. The Group will oppose any extension of policy areas where the member States' veto right would no longer apply.

- A better protection of the EU's external borders is needed. Every nation has the right to protect, control and supervise its own borders. The EU should focus more on the effective returning of illegal and criminal immigrants to their countries of origin.

- European civilization, its Christian heritage and national identities should be protected and embraced. The negotiations on the accession of Turkey, which is not a European country, must be put to an end.

- The Group is opposed to any attempt to impose a eurozone budget and direct EU taxes.'
