Dear Dr. Langen,

We acknowledge receipt of your letter dated 4 April 2017, which unfortunately was only received yesterday.

We take note of the public hearing that will take place in Brussels on 21 June 2017.

The CSSF continues to fully support the work of your Committee.

We have attended a meeting of the Committee on 3 March 2017 at your Luxembourg offices, and have answered all questions raised both during the Committee meeting, and individually to members of the Committee after the meeting. You have acknowledged the CSSF's valuable contribution in your letter of 13 March 2017. We have subsequently received follow-up questions from the Committee on 16 March 2017, and have submitted a detailed response on 30 March 2017.

We remain at the disposal of the Committee should there be more questions, either in writing or in a meeting with your Committee. As already mentioned in our e-mail of 15 February 2017, we feel that it is not appropriate for the CSSF to appear in a public hearing of the Committee.

We therefore respectfully ask you to submit any further questions in writing, unless you prefer another bilateral meeting between your Committee and the CSSF in Luxembourg, which could be arranged at the Committee's convenience.

Yours sincerely,

COMMISSION de SURVEILLANCE du SECTEUR FINANCIER
