Oliver Schröm is Editor-in-chief of the nonprofit-newsroom CORRECTIV and one of the most renowned investigative journalists in Germany.

He is one of the masterminds and the head of the international research project “The CumEx Files”. Under the direction of CORRECTIV, 18 Media in 12 European countries have participated in the research.

Schröm has been working as a journalist for more than 35 years and has received numerous honors for his work. In 2010, Schröm established the investigative unit of *stern* magazine and was its head until he moved to ARD investigative program *Panorama*. He first reported about CumEx in 2014 for *stern* magazine. Together with colleagues he revealed the extent of the scandal for *Panorama* magazine.

Schröm authored ten investigative books, including bestsellers on scandals in intelligence, politics and economy.
