

15 April 2004

A5-0270/1

AMENDMENT 1

by Michael Gahler on behalf of the PPE-DE Group

Report

Véronique De Keyser

Human rights in 2003 and EU policy

A5-0270/2004

Motion for a resolution

Recital Q

- Q. subscribing to the principle that the enjoyment of the highest attainable standard of health is one of the fundamental *concerns* of every human being without distinction of race, religion, political belief, economic or social condition and fully supporting the WHO principles; particularly preoccupied about the state of *(deletion)* access to *good* health *care*, as this *(deletion)* is closely linked to the economic, social and political situation of every individual country,

AMENDMENT 2

by Michael Gahler on behalf of the PPE-DE Group

Report

A5-0270/2004

Véronique De Keyser

Human rights in 2003 and EU policy

Motion for a resolution

Recital R

- R. whereas studies have proved that there is a direct link between access to information and **good** health, including lower levels of HIV/AIDS and other transmitted infections, the risk of unwanted pregnancies and correlated abortions, the risk of still-births and maternal and infant deaths, ***although other factors such as moral standards and personal responsibility can also be of great importance,***

AMENDMENT 3

by Michael Gahler on behalf of the PPE-DE Group

Report

Véronique De Keyser

Human rights in 2003 and EU policy

A5-0270/2004

Motion for a resolution

Paragraph 4

4. Manifests its commitment to continuing to act in support of respect for human rights and promotion of democracy worldwide, and to pursuing in particular its initiatives in favour of the abolition of the death penalty and torture, the fight against impunity, the elimination of racism, xenophobia and discrimination, the protection of women's rights and children's rights (*deletion*);

by Michael Gahler on behalf of the PPE-DE Group

Report

A5-0270/2004

Véronique De Keyser

Human rights in 2003 and EU policy

Motion for a resolution

Paragraph 46

46. Expresses grave concern at the continuation of the Israeli-Palestinian conflict, which has led to a seemingly endless spiral of hatred and violence and to increased suffering for both Israelis and Palestinians (*deletion*);
