AMENDMENT 3

by Cristiana Muscardini, on behalf of the UEN Group

Report

Giuseppe Gargani

Members' Statute

A6-0189/2005

Motion for a resolution

Recital E a (new)

Ea. whereas the amendment of the Statute stems from a desire to place all Members of the European Parliament on an equal footing financially, without taking account of differences in the cost of living and politics in individual Member States as regards the size of electoral constituencies, the size of the country, and electoral methods; whereas, prior to the entry into force of the decision on the Statute, as amended, the Member States should be asked to make European Parliament election systems uniform, so that every Member of Parliament may have a constituency of similar size and be subject to similar rules when standing for election,
