Declaration of the European Parliament, the Council and the Commission

The European Parliament, the Council and the Commission stress that in case of a situation of urgent and exceptional pressure at the external borders requiring the intervention of a Rapid Border Intervention Team and possible insufficiency of financial means in the budget of the European Agency for the Management of Operational Cooperation at the External Borders of the Member States of the European Union (FRONTEX) to do so, all possibilities to ensure funding should be explored. The Commission will verify with extreme urgency whether a possible redeployment of funds could be made. In case a decision of the budgetary authority becomes necessary, the Commission will initiate a procedure that is in accordance with the provisions of the Financial Regulation, namely Articles 23 and 24, in order to secure a timely decision of the two arms of the budgetary authority on the means to provide for additional

funding for FRONTEX to deploy a Rapid Border Intervention Team. The budgetary authority commits itself to act as quickly as possible, taking into account the urgency.
