Motion for a resolution

Paragraph 16

Motion for a resolution

16. Calls on the Commission, in this respect, to conduct a study of the various options available for giving European producers the possibility of displaying on their products their commitment to quality, food safety and observance of all European standards of production, ***including the option of an EU quality logo, which should be made available exclusively to agricultural goods resulting entirely from production in the EU, and which, since it would certify compliance with the legislation subject to official controls, should in no circumstances involve any additional cost to operators or any financial or administrative burden on the Member States exercising the controls;***

Amendment

Paragraph 19

Motion for a resolution

Amendment

19. Regrets the near-total dismantling of the Community marketing rules in the fruit and vegetables sector; calls on the Member States and the Commission to launch a detailed debate with a view to studying the impact of this measure, in order to restore, if necessary, a solid Community framework to improve the transparency of commercial operations and establish a common language for operators, as well as consumer-friendly quality criteria;

Motion for a resolution

Paragraph 24

Motion for a resolution

24. *Urges that consumers be provided with all relevant* information; *favours* the introduction of compulsory legislation for 'place of farming' labelling *for primary products on a case-by-case basis*; considers that this must be done in a manner that takes into account the costs of such a Europe-wide operation, as well as the specificities of particular sectors;

Amendment

24. *Advocates providing the consumer with the maximum amount of* information *available*; *supports* the introduction of *comprehensive and* compulsory legislation for 'place of farming' labelling; considers that this may be done in a manner that takes into account the costs of such a Europe-wide operation, as well as the specificities of particular sectors, *such as that of processed agricultural goods*;
