Agricultural product quality policy: what strategy to follow?

COM(2009)0234 – 2009/2105(INI)

Motion for a resolution

Paragraph 24

Motion for a resolution

Amendment

24. Urges that consumers be provided with all available relevant information; favours the introduction of compulsory legislation for 'place of farming' labelling for primary products on a case-by-case basis; considers that this must be done in a manner that takes into account the costs of such a Europe-wide operation, as well as the specificities of particular sectors;

24. Considers that there should be an indication, in the case of fresh agricultural products, of the country of origin and, in the case of single-ingredient processed products, of the place of provenance of the agricultural raw material used in the finished product, with a view to guaranteeing greater transparency and traceability and thus enabling consumers to make informed purchasing decisions;

Or. it
