Motion for a resolution

Paragraph 6

Motion for a resolution

6. ***Stresses*** that ***market liberalisation and the*** current openness of the Community market to exports of fishery and aquaculture products ***are having a considerable and damaging*** impact on the local economy in certain regions, especially the most remote regions, ***which are unable to find markets for their products;***

Amendment

6. ***Notes*** that ***the*** current openness of the Community market to exports of fishery and aquaculture products ***can - under certain circumstances - have a negative*** impact on the local economy in certain regions, especially the most remote regions ***in relation to selling their local products;***

Paragraph 24

Motion for a resolution

24. Is concerned that the massive influx of fishery and aquaculture products onto the Community market ***in an environment of unfair competition could end up influencing the eating habits of Europeans, who, at a time of general economic crisis, could yield to the easy temptation to buy cheaper and lower-quality food products;***

Amendment

24. Is concerned that the massive influx of fishery and aquaculture products onto the Community market ***from third countries could influence consumers' buying habits;***
