**Proposal for a directive of the European Parliament and of the Council on rear-mounted roll-over protection structures of narrow-track wheeled agricultural and forestry tractors (codified text)
COM(2010)0510 of 27.9.2010 – 2010/0264(COD)**

Having regard to the Inter-institutional Agreement of 20 December 1994 on an accelerated working method for official codification of legislative texts, and in particular to point 4 thereof, the Consultative Working Party consisting of the respective legal services of the European Parliament, the Council and the Commission met on 7 October 2010 for the purpose of examining, among others, the aforementioned proposal submitted by the Commission.

At that meeting¹, an examination of the proposal for a directive of the European Parliament and of the Council codifying Council Directive 86/298/EEC of 26 May 1986 on rear-mounted roll-over protection structures of narrow-track wheeled agricultural and forestry tractors resulted in the Consultative Working Party's concluding, without dissent, that the proposal is a straightforward codification of existing texts, without any change in their substance.
