

Amendment 21**Gerald Häfner**

on behalf of the Verts/ALE Group

Report**A7-0027/2012****Andrew Duff**

Modification of the Act concerning the election of the Members of the European Parliament 2009/2134(INI)

Motion for a resolution**Paragraph 2***Motion for a resolution*

2. Proposes that 25 MEPs be elected by a single constituency formed of the whole territory of the European Union; pan-European lists would be composed of candidates drawn from at least one third of the States, and may ensure an adequate gender representation; each elector would be enabled to cast one vote for the EU-wide list in addition to their vote for the national or regional list; and seats would be allocated without a minimum threshold in accordance with the D'Hondt method; further, proposes that an electoral authority be established at EU level in order to regulate the conduct and to verify the result of the election taking place from the pan-European list;

Amendment

2. Proposes that 25 ***out of the total of 751*** MEPs be elected by a single constituency formed of the whole territory of the European Union; pan-European lists would be composed of candidates drawn from at least one third of the States, and may ensure an adequate gender representation; each elector would be enabled to cast one vote for the EU-wide list in addition to their vote for the national or regional list; and seats ***thus won*** would be ***counted within the number of national allocations so as not to alter the seat apportionment per Member State and be*** allocated without a minimum threshold in accordance with the D'Hondt method; further, proposes that an electoral authority be established at EU level in order to regulate the conduct and to verify the result of the election taking place from the pan-European list;
