Amendment

2a. Member States may exclude the following from the application of Articles 6, 7, 8, 13 and Chapter IV:

- railway undertakings which only operate rail freight services on railway infrastructure managed by these undertakings before the date of entry into force of this Directive, and which has gauge different from the dominant network within the Member State, and is connected to a railway infrastructure on a territory of non-EU State, provided that managed infrastructure is not identified in the Decision No 661/2010/EU of the European Parliament and of the Council of 7 July 2010 on Union guidelines for the development of the trans-European transport network.
