Recital 20

Text proposed by the Commission

Amendment

(20) Section II of Title II of Regulation (EC) No 1760/2000 lays down rules for a voluntary beef labelling system which provide for the approval of certain labelling specifications by the competent authority of the Member State. The administrative burden and the costs incurred by Member States and economic operators in applying this system are not proportionate to the benefits of the system. That Section should therefore be deleted.
