**Proposal for a regulation**

**Article 18 a (new)**

*Text proposed by the Commission*

*Amendment*

*Article 18a*

*Reporting*

*No later than [five years from the date of publication of this Regulation], the Commission shall submit a report to the European Parliament and the Council on the implementation and the effects of this Regulation, in particular as regards the frequency of testing, the level of harmonisation of periodic roadworthiness tests and the effectiveness of the provisions on the mutual recognition of roadworthiness certificates in cases of registration of vehicles originating from another Member State. The report shall also analyse whether there is a sufficient level of harmonisation to allow for full mutual recognition of roadworthiness certificates throughout the Union and whether there is a need for higher European standards in order to achieve that goal. The report shall be accompanied, if appropriate, by legislative proposals.*
