Motion for a resolution
Recital E a (new)

Motion for a resolution

Ea. whereas the increasing risk of poverty is closely and directly linked to the destruction of significant social functions performed by the state, as seen, for example, in the recent destruction of public social security systems in a number of Member States, along with cuts in key social benefits (family allowances, unemployment and sickness benefits, and income support), which affect many women, particularly those who have dependent families and who are responsible for dealing with all household problems;

Motion for a resolution
Paragraph 33 a (new)

Motion for a resolution

33a. Notes that the economic crisis is contributing to harassment and violence of all kinds, as well as to prostitution, with women as the victims, and that this is a violation of human rights; points to the need to increase public, financial, and human resources in order to support groups at risk of poverty and tackle situations posing a risk to children and young people, the elderly, people with disabilities, and the homeless;
