Motion for a resolution
Paragraph 1 – point b – point v

Motion for a resolution
(v) to increase market access for services according to a ‘hybrid list approach’, using for market access ‘positive lists’, whereby services that are to be opened up to foreign companies are explicitly mentioned and new services are excluded while ensuring that possible stand-still and ratchet clauses only apply to non-discrimination provisions and allow for enough flexibility to bring services of general economic interest back into public control as well as to take into account the emergence of new and innovative services and using ‘negative list approach’ for national treatment;

Amendment
