Motion for a resolution
Paragraph 1 – point d – point xv

(xv) to ensure the applicability of international agreements, to bring an end to the unequal treatment of European investors in the US on account of existing agreements of Member States; to ensure that foreign investors are treated in a non-discriminatory fashion and have a fair opportunity to seek and achieve redress of grievances while benefiting from no greater rights than domestic investors:

– to propose a permanent solution for resolving disputes between investors and states which is subject to democratic principles and scrutiny, where potential cases are treated in a transparent manner.

(xv) to ensure that foreign investors are treated in a non-discriminatory fashion and have a fair opportunity to seek and achieve redress of grievances, while benefiting from no greater rights than domestic investors; to oppose the inclusion of investor-state dispute settlement (ISDS) in TTIP, as other options to enforce investment protection are available, such as domestic remedies;
