Article 1 – point 1 Directive 2012/27/EU

Article 1 – paragraph 1

Text proposed by the Commission

1. This Directive establishes a common framework of measures to promote energy efficiency within the Union in order to ensure that the Union's 2020 20 % headline targets and its 2030 30 % binding headline targets on energy efficiency are met and paves the way for further energy efficiency improvements beyond those dates. It lays down rules designed to remove barriers in the energy market and overcome market failures that impede efficiency in the supply and use of energy, and provides for the establishment of indicative national energy efficiency targets *and contributions* for 2020 and 2030.
