Reform of the European Union's system of own resources
2017/2053(INI)

Motion for a resolution

Paragraph 1 a (new)

Motion for a resolution

Amendment

1a. Points out that the own resources framework is obsolete in terms of volume and internal composition; notes that a slight increase towards 1.3 % of EU Gross National Income is, in the best case, absolutely insufficient for tackling the real challenges of overcoming the economic crisis, resolving the financial crisis, addressing the energy crisis and combating the inequalities in our society;
