**A8-0041/2018****Motion for a resolution****Paragraph 12***Motion for a resolution*

12. Considers, in particular, that the decision on the size of the annual EU budget is affected by political and financial considerations at national level, imposing constraints on the budgetary negotiations that often result in a zero-sum game between net payers and net beneficiaries in the Council; ignoring the Union commitments, including the ones made by the Council; *considers that, as a result, a number of EU policies that show the highest European added value are often the areas where cost savings are proposed and that the EU project as such is thus weakened;*

*Amendment*

12. Considers, in particular, that the decision on the size of the annual EU budget is affected by political and financial considerations at national level, imposing constraints on the budgetary negotiations that often result in a zero-sum game between net payers and net beneficiaries in the Council; ignoring the Union commitments, including the ones made by the Council; *calls on the net payers to refuse to pay a single euro more than they already do under the current MFF, despite Brexit, EU ambitions and additional unforeseen tasks;*

**Motion for a resolution**

**Paragraph 23**

*Motion for a resolution*

23. Calls for the ***abolition of all rebates and corrections***, while ensuring fair treatment between Member States; underlines in this context that Brexit will mean that ***the UK rebate and the related 'rebates on the rebate'*** will become ***obsolete and cease to exist, while reform of the statistical VAT-based own resource will become*** inevitable;

*Amendment*

23. Calls for ***preservation of the rebate for the Netherlands***, while ensuring fair treatment between Member States; underlines in this context that Brexit will mean that ***huge cuts in the MFF budget*** become inevitable;
