Motion for a resolution**Paragraph 3 a (new)***Motion for a resolution**Amendment*

3a. Calls for the EU budget to be increased significantly with the aim of stepping up its redistributive function, thereby helping to bring about economic and social cohesion; considers that this increase should be made possible by raising the Member States' contributions on the basis of their gross national income (GNI), bolstering, by means of the distribution key, the principle that the Member States with the highest GNI should contribute proportionally more;
