The next MFF: Preparing the Parliament's position on the MFF post-2020
2017/2052(INI)

Motion for a resolution

Paragraph 3 c (new)

Motion for a resolution

Amendment

3c. Recalls that the European Union as it currently exists has been built without the peoples of Europe and that the next MFF must aim at its transformation into a Europe that is respectful of the environment and socially just; considers that the next MFF should be regarded as a part of a strategy to reaffirm the central objective of the European Union, that of economic, social and territorial cohesion, as well as a part of a broader reflection on the rebuilding of Europe for the benefit of all citizens;

The next MFF: Preparing the Parliament's position on the MFF post-2020
2017/2052(INI)

Motion for a resolution**Paragraph 4***Motion for a resolution*

4. Is convinced that the next MFF should build on the Union's well-established policies and priorities, which aim at promoting peace, democracy, the rule of law, human rights and gender equality, boosting welfare, long-term and sustainable economic growth and research and innovation, providing quality employment leading to decent jobs, fighting climate change, and fostering economic, social and territorial cohesion, as well as solidarity between Member States and citizens; considers that ***these pillars are prerequisites for a properly functioning single market and Economic and Monetary Union as well as for reinforcing Europe's position in the world***; trusts that ***they*** are more relevant than ever for Europe's future endeavours;

Amendment

4. Is convinced that the next MFF should build on the Union's well-established policies and priorities, which aim at promoting peace, democracy, the rule of law, human rights and gender equality, boosting welfare, long-term and sustainable economic growth and research and innovation, providing quality employment ***with statutory rights***, leading to decent jobs, fighting climate change, and fostering economic, social and territorial cohesion, as well as solidarity between Member States and citizens; considers that ***it should lead towards a circular, low-carbon economy; highlights that no European country should be excluded from sustainable growth, even if it is not a member of the EU***; trusts that ***these countries*** are more relevant than ever for Europe's future endeavours;

2017/2052(INI)

Motion for a resolution**Paragraph 5***Motion for a resolution*

5. Believes that the next MFF should enable the Union to provide solutions and emerge strengthened from the crises of the decade: the economic and financial downturn, youth unemployment, persistent poverty and social exclusion, the phenomenon of migration and refugees, climate change and natural disasters, environmental degradation and biodiversity loss, terrorism and instability, to name but a few; underlines that these global, cross-border challenges with domestic implications reveal the interdependency of our economies and societies, and point to the need for joint actions;

Amendment

5. Believes that the next MFF should enable the Union to provide solutions and emerge strengthened from the crises of the decade: the economic and financial downturn, youth unemployment, persistent poverty and social exclusion, the phenomenon of migration and refugees, climate change and natural disasters, environmental degradation and biodiversity loss, terrorism and instability, to name but a few; underlines that these global, cross-border challenges with domestic implications reveal the interdependency of our economies and societies, and point to the need for joint actions; ***stresses the importance of also keeping the focus of the next MFF on the longer term challenges and commitments;***
