Amendment

102a. Stresses that the real impacts of the greening of the CAP and the agri-environment-climate measures under the EAFRD should be the basis for the financial allocations; highlights the utmost importance of having separate financing for the enhancement of specific needs and for the preservation of nature and protection of biodiversity;

Paragraph 102 a (new)

Motion for a resolution

Amendment

102b. Believes that the Union's development goal of poverty reduction is being undermined by the current export refund system for agricultural products, as the export refunds hamper the ability of the Global South to develop its own food production and because the refunds distort trade; is of the opinion that the export refund system should be abolished;
