

24.5.2018

A8-0159/23

**Amendment 23**

**Fabio Massimo Castaldo**

on behalf of the EFDD Group

**Report**

**Pier Antonio Panzeri**

Recommendation to the Council, the Commission, and the EEAS on Libya  
2018/2017(INI)

**A8-0159/2018**

**Motion for a resolution**

**Recital G a (new)**

*Motion for a resolution*

*Amendment*

***Ga. whereas it is of the utmost importance that all Member States speak with one voice, strengthening EU mediation efforts and emphasising the central role of the UN and of the UN action plan; whereas individual initiatives by Member States are in all cases to be welcomed only if they are taken within the European framework and are fully in line with EU foreign policy;***

24.5.2018

A8-0159/25

**Amendment 25**

**Fabio Massimo Castaldo**

on behalf of the EFDD Group

**Report**

**Pier Antonio Panzeri**

Recommendation to the Council, the Commission, and the EEAS on Libya

2018/2017(INI)

**A8-0159/2018**

**Motion for a resolution**

**Recital R**

*Motion for a resolution*

R. whereas currently the country does not have a clear and widely accepted legislative framework with regard to the electoral system; whereas the prevalence of the current climate of impunity, widespread unlawfulness, corruption and the role of the armed groups and tribal and regional tensions in Libya are contributing to a further decrease in trust in the already weak public and government institutions;

*Amendment*

R. whereas currently the country does not have a clear and widely accepted legislative framework with regard to the electoral system; whereas ***no constitution has been adopted, thus leaving the country without the necessary legal framework to hold new elections; whereas the*** prevalence of the current climate of impunity, widespread unlawfulness, corruption and the role of the armed groups and tribal and regional tensions in Libya are contributing to a further decrease in trust in the already weak public and government institutions;

Recommendation to the Council, the Commission, and the EEAS on Libya

2018/2017(INI)

**A8-0159/2018**

**Motion for a resolution**

**Paragraph 1 – point d**

*Motion for a resolution*

(d) to support Libyan efforts to work on a new constitutional order which should include a formula for the just distribution of oil wealth, as well as a clear division of tasks and obligations for the historic regions on the one side and any national government on the other; to recall that such a new constitution, which could be inspired by elements of the amended 1963 constitution, would help efforts to organise country-wide elections to be held only once the necessary conditions are properly met in order to ensure a high turnout *and* public acceptance;

*Amendment*

(d) to support Libyan efforts to work on a new constitutional order which should include a formula for the just distribution of oil wealth, as well as a clear division of tasks and obligations for the historic regions on the one side and any national government on the other; to recall that such a new constitution, which could be inspired by elements of the amended 1963 constitution, would help efforts to organise country-wide elections to be held only once the *new constitution is adopted and the* necessary conditions are properly met in order to ensure a high turnout *as well as* public acceptance *and legitimacy*;

**Amendment 30**

**Fabio Massimo Castaldo**

on behalf of the EFDD Group

**Report**

**Pier Antonio Panzeri**

Recommendation to the Council, the Commission, and the EEAS on Libya

2018/2017(INI)

**A8-0159/2018**

**Motion for a resolution**

**Paragraph 1 – point h**

*Motion for a resolution*

(h) to support UN efforts aimed at holding elections in Libya by the end of 2018, particularly efforts to register voters as currently only around 50 % of eligible voters have been registered; to make sure that an agreement on a transitional arrangement is adopted before the elections in order to rebuild trust and thus strengthen the new government's international and national legitimacy; to support, including by technical means, the process for the establishment of a sound constitutional framework and the electoral process as a whole, linking European financial contributions to the adoption of an electoral law that complies, as much as possible, with the international principles laid down by the Venice Commission;

*Amendment*

(h) to support UN efforts aimed at holding elections in Libya by the end of 2018 ***and only once a new constitution is adopted; to support*** particularly efforts to register voters as currently only around 50 % of eligible voters have been registered; to make sure that an agreement on a transitional arrangement is adopted before the elections in order to rebuild trust and thus strengthen the new government's international and national legitimacy; to support, including by technical means, the process for the establishment of a sound constitutional framework and the electoral process as a whole, linking European financial contributions to the adoption of an electoral law that complies, as much as possible, with the international principles laid down by the Venice Commission;

**Amendment 31**

**Fabio Massimo Castaldo**

on behalf of the EFDD Group

**Report**

**Pier Antonio Panzeri**

Recommendation to the Council, the Commission, and the EEAS on Libya

2018/2017(INI)

**A8-0159/2018**

**Motion for a resolution**

**Paragraph 1 – point n**

*Motion for a resolution*

(n) to bear in mind that, while Daesh/IS might have been significantly weakened in Libya, the most effective answer to the radical militant presence in the country lies ultimately in the establishment of inclusive domestic institutions that can uphold the rule of law, provide public services and local security, and effectively fight the groups that are threatening the stability of the country and the wider region;

*Amendment*

(n) to bear in mind that, while Daesh/IS might have been significantly weakened in Libya, ***there are new forms of extremism on the rise in the country, such as that represented by Madkhalists; to recall that the*** most effective answer to the radical militant presence in the country lies ultimately in the establishment of inclusive domestic institutions that can uphold the rule of law, provide public services and local security, and effectively fight the groups that are threatening the stability of the country and the wider region;
