Recital 9

(9) Difficulties have also been experienced in applying the rules on posting of workers specified in Directive 96/71/EC of the European Parliament and of the Council\(^\text{15}\) and the rules on the administrative requirements laid down in Directive 2014/67/EU\(^\text{16}\) of the European Parliament and of the Council to the highly mobile road transport sector. The uncoordinated national measures on the application and enforcement of the provisions on posting of workers in the road transport sector have generated high administrative burdens for non-resident Union operators. This created undue restrictions to the freedom to provide cross-border road transport services having negative side-effects on jobs.
