Paragraph 39

Motion for a resolution

Amendment

39. Welcomes the Council decision establishing a common set of governance rules for PESCO projects, clarifying many of the lingering open questions about the details of PESCO implementation; *notes, however, that possible additional budgetary appropriations will be necessary to cover the administrative expenditure of the European External Action Service (EEAS) and the EDA to enable them to fulfil their functions as the PESCO secretariat;*

Paragraph 41 a (new)

Motion for a resolution

Amendment

41a. Is deeply concerned that the United Nations Multidimensional Integrated Stabilisation Mission in Mali (MINUSMA) has investigated and reported cases of dozens of very serious human rights abuses committed by Malian security forces, which might amount to war crimes under humanitarian law; urges the VP/HR to make sure that the EU's partners strictly comply with international humanitarian and human rights law and legally binding EU regulations, and that those cases are brought to justice without delay; calls on the EEAS to suspend relevant assistance and to report these cases to Parliament as a matter of urgency;

Paragraph 46

Motion for a resolution

46. Welcomes the establishment and full operational capability of the Military Planning and Conduct Capability (MPCC) for non-executive EU missions and operations (training missions); underlines the need to soon give the MPCC the mandate to plan and conduct all military CSDP operations in the future, and the need to remove some obstacles to the deployment of EU Battlegroups; calls for enhanced cooperation between the MPCC and the Civilian Planning and Conduct Capacity (CPCC), also in the context of the Joint Support Coordination Cell (JSCC), in order to maximise the coordination of civilian and military synergies and the sharing of expertise as part of a more integrated and comprehensive approach to crises and conflicts; calls for the reinforcement of the MPCC, with a view to increasing its command and control capabilities for executive operations and increasing synergies with civilian missions;

Paragraph 53

Motion for a resolution

Amendment

53. Stresses that efforts regarding military mobility should be a priority and a contribution to the effective implementation of CSDP missions and operations and to the Alliance's defence posture; therefore encourages both organisations to continue working together on military mobility in the closest possible manner, including through the development of common requirements to facilitate the rapid movement of forces and equipment across Europe, keeping in mind the multidirectional challenges originating mainly from the South and the East; ***calls on the Commission to underpin these efforts with the necessary investments and, where appropriate, legislation; stresses the need to ease the administrative procedures for the cross-border movement of rapid response forces inside the EU;***
