ERRATUM

Committee on Employment and Social Affairs

Rapporteur: Laura Agea
A8-0382/2018

Amendment 22 should read:

Amendment 22

Proposal for a directive
Article 1 – paragraph -1 (new)
Directive 2004/37/EC
Article 14 – paragraph 1

Present text

1. The Member States shall establish, in accordance with national law or practice, arrangements for carrying out relevant health surveillance of workers for whom the results of the assessment referred to in Article 3(2) reveal a risk to health or safety. The doctor or authority responsible

Amendment

"In Article 14, paragraph 1 is replaced by the following:

1. Member States shall establish, in accordance with national laws and/or practice, arrangements for carrying out relevant health surveillance of workers for whom the results of the assessment referred to in Article 3(2) reveal a risk to health or safety. Such health surveillance"
for the health surveillance of workers may indicate that health surveillance must continue after the end of exposure for as long as they consider it to be necessary to safeguard the health of the worker concerned.

*(Affects all language versions.)*

*may include biological monitoring for substance exposure, where appropriate. Article 10 of Council Directive 98/24/EC shall apply.* The doctor or authority responsible for the health surveillance of workers may indicate that health surveillance must continue after the end of exposure for as long as they consider it to be necessary to safeguard the health of the worker concerned.*”
