Proposal for a regulation

Recital 10 a (new)

Text proposed by the Commission

Amendment

(10 a) Member States should be able to decide whether to include a person's sex on a document. Where a Member State includes a person's sex on a document, the specifications of ICAO Document 9303 (seventh edition, 2015) 'F' or 'M' should be used for such information.

(This amendment aims at replacing Recital 24 of the provisional agreement; if adopted, 'gender' shall be replaced by 'sex' throughout the text)

Or. en

Justification

Alignment to ICAO Document 9303 (seventh edition, 2015), which does refer to 'sex', not to 'gender'.
