

Amendment 2

Bernd Lange, Alessia Maria Mosca, Elena Valenciano
on behalf of the S&D Group

Report**A8-0478/2018****Marietje Schaake**

EU-Morocco Agreement on the amendment of Protocols 1 and 4 to the Euro-Mediterranean Agreement (Resolution)
(2018/0256M(NLE))

Motion for a resolution**Paragraph 26***Motion for a resolution*

26. Emphasises that a key criterion for Parliament before giving its consent to the agreement is to ensure that a mechanism will be put in place for Member States' customs authorities to have access to reliable information on products originating in Western Sahara and imported into the EU, in full compliance with EU customs legislation; emphasises that such a mechanism will make available detailed and disaggregated statistical data provided timely on such exports; ***recognises the efforts made by the Commission and Morocco to try to find a solution to this request and calls on them to implement*** such a mechanism; calls on the Commission to use all corrective measures available should the implementation of the agreement not be satisfactory;

Amendment

26. Emphasises that a key criterion for Parliament before giving its consent to the agreement is to ensure that a mechanism will be put in place for Member States' customs authorities to have access to reliable information on products originating in Western Sahara and imported into the EU, in full compliance with EU customs legislation; emphasises that such a mechanism will make available detailed and disaggregated statistical data provided timely on such exports; ***regrets the fact that the Commission and Morocco took a long time to agree to*** such a mechanism ***and*** calls on the Commission to use all corrective measures available should the implementation of the agreement not be satisfactory; ***urges the Commission to present to Parliament an annual assessment of the conformity of this mechanism with EU customs legislation;***
