2018/2219(DEC)

Motion for a resolution

Paragraph 61

Motion for a resolution

Amendment

61. Notes that the ECB was given responsibility for the management of the assessments of banks' recovery planning and for early intervention for significant banks in the euro area and that the effective crisis management therefore depends primarily on the operationally efficient management by the ECB;

Discharge 2017: Court of Auditors' special reports in the context of the 2017 Commission discharge

2018/2219(DEC)

Motion for a resolution

Paragraph 65

Motion for a resolution

Amendment

65. Points out that the MIP was designed as a response to the economic and financial crisis in Europe as macroeconomic imbalances were one of the root causes of the crisis. Therefore the conceptual design of the MIP needs to be developed constantly in order to overcome imbalances and ensure social and economic stability;
