**Paragraph 11**

*Motion for a resolution*

11. *Stresses the need to urgently put an end to the segregation in education, embodied notably by the ongoing discriminatory practice of ‘two schools under one roof’, which institutionalises ethnic divisions, perpetuates stereotypes and prejudices, and fosters mistrust by preventing contact between students from different backgrounds; underscores that this practice is not only completely at odds with the very notion of reconciliation, but also constitutes a long-term threat to the stability and prosperity of the country;*

*Amendment*

11. *Recalls that according to Article 165(1) of the TFEU, the European Union shall fully respect the responsibility of the Member States for the content of teaching and the organisation of the education systems and their cultural and linguistic diversity; reiterates that according to Article 165(4) of the TFEU, any harmonisation of the laws and regulations of the Member States is excluded from EU incentive measures in the field of education;*
