2. Calls on the Commission to expand and improve its existing initiative as laid out in its decision of 25 November 2014 on the publication of information on meetings held between Members of the Commission and organisations or self-employed individuals *on issues relating to policy-making and implementation in the Union with the exception of meetings with representatives of other Union institutions or bodies, public authorities of the Member States or third countries and of international organisations, social partners, churches and philosophical and non-confessional organisations, political parties and in certain specific cases where public information may undermine the protection of the life, the integrity or privacy of an individual, the financial, monetary or economic policy of the Union, the market stability or sensitive commercial information, the proper conduct of court proceedings or inspections, investigations audits or other administrative procedures, or the protection of any other important public interest recognised at Union level ; understands 'meeting' as a bilateral encounter organised at the initiative of an organisation or self-employed individual or a Director-General to discuss an issue related to policymaking and implementation in the Union; encounters taking place in the context of an administrative procedure established by the Treaties or Union acts, which falls under the direct responsibility of the Director-General, as well as encounters of a purely private or social character or spontaneous encounters are excluded from this notion; understands*

*‘organisation or self-employed individual’ as any organisation or individual, irrespective of their legal status, engaged in activities carried out with the objective of directly or indirectly influencing the formulation or implementation of policy and the decision-making processes of the institutions of the Union, irrespective of where these activities are undertaken and of the channel or medium of communication used; calls on the Commission to expand its decision not to meet unregistered lobbyists to all its staff;; considers that the recording of meeting data should be expanded to include **all staff from Heads of Unit upwards**;*
