Amendment 12
Sabine Lösing

Motion for a resolution
Recital A

Motion for a resolution

A. whereas many present and future challenges **and threats** to the EU are complex and will come from inside just as much as from outside the common borders; whereas a stronger political will for resolute common action on the part of the EU and its Member States is needed in order to respond effectively to these challenges, to safeguard the EU's values and societal model and to be a **stronger** global actor; whereas the EU Global Strategy on foreign and security policy must pave the way for this development;

Amendment

A. whereas many present and future challenges to the EU are complex and will come from inside just as much as from outside the common borders; whereas a stronger political will for resolute common action on the part of the EU and its Member States is needed in order to respond effectively to these challenges, to safeguard the EU's values and societal model, **to promote priorities such as poverty eradication and the achievement of the Universal Development Goals, arms control, NPT- regime and the total nuclear- disarmament, fair trade, favouring balanced economic relations** and to be a **peaceful and civil** global actor; whereas the EU Global Strategy on foreign and security policy must pave the way for this development;

Or. en

Amendment 13
Fabio Massimo Castaldo, Ignazio Corrao

Motion for a resolution
Recital A

Motion for a resolution

A. whereas many present and future challenges and threats to the EU are complex and will come from inside just as much as from outside the common borders; whereas a stronger political will for resolute common action on the part of the EU and its Member States is needed in

Amendment

A. whereas many present and future challenges and threats to the EU are complex and will come from inside just as much as from outside the common borders; whereas a stronger political will for resolute common **and agreed** action on the part of the EU and its Member States is

order to respond effectively to these challenges, to safeguard the EU's values and societal model and to be a **stronger** global actor; whereas the EU Global Strategy on foreign and security policy must pave the way for **this** development;

needed in order to respond effectively to these challenges, to safeguard the EU's values and societal model and to be a global actor **that is able to guarantee world security and peace among peoples**; whereas the EU Global Strategy on foreign and security policy must **help to** pave the way for **the** development **of a true European political identity**;

Or. it

Amendment 14 **Louis Michel**

Motion for a resolution **Recital A**

Motion for a resolution

A. whereas many present and future challenges and threats to the EU are complex and will come from inside just as much as from outside the common borders; whereas a stronger political will **for resolute common action** on the part of the EU and its Member States is **needed** in order to respond effectively to these challenges, to safeguard the EU's values and societal model and **to be a stronger global actor**; whereas the EU Global Strategy on foreign and security policy **must pave the way for this development**;

Amendment

A. whereas many present and future challenges and threats to the EU are complex and will come from inside just as much as from outside the common borders; whereas a stronger political will on the part of the EU and its Member States is **essential** in order to respond effectively to these challenges **and** to safeguard the EU's values and societal model; **whereas it is imperative that the EU take specific and common action to manage the current crises**; whereas **it is essential to revise** the EU Global Strategy on foreign and security policy **in order to maintain the stability and security of the Union and its citizens and for Europe to become a stronger global actor**;

Or. fr

Amendment 15 **Ana Gomes**

Motion for a resolution **Recital A**

Amendment

A. whereas many present and future challenges and threats to the EU are complex and will come from inside just as much as from outside the common borders; whereas a stronger political will for resolute common action on the part of the EU and its Member States is needed in

order to respond effectively to these challenges, to safeguard the EU's values and societal model and to be a **stronger** global actor; whereas the EU Global Strategy on foreign and security policy must pave the way for this development;

order to respond effectively to these challenges, to safeguard the EU's values and societal model and to be a **strong** global actor; whereas the EU Global Strategy on foreign and security policy must pave the way for this development **by defining a political level of ambition of the EU as an international actor**;

Or. en

Amendment 19 **István Ujhelyi**

Motion for a resolution **Recital A**

Motion for a resolution

A. whereas many present and future challenges and threats to the EU are complex and will come from inside just as much as from outside the common borders; whereas a stronger political will for resolute common action on the part of the EU and its Member States is needed in order to respond effectively to these challenges, to safeguard the EU's values and societal model and to be a stronger global actor; whereas the EU Global Strategy on foreign and security policy must pave the way for this development;

Amendment

A. whereas many present and future challenges and threats to the EU are complex and will come from inside just as much as from outside the common borders; whereas **there is a need to connect local, regional and global contexts; whereas strategic thinking has to start with finding answers to the internal challenges of the EU as a political community while simultaneously connecting these answers to the external problems**; whereas a stronger political will for resolute common action on the part of the EU and its Member States is needed in order to respond effectively to these challenges, to safeguard the EU's values and societal model and to be a stronger global actor; whereas the EU Global Strategy on foreign and security policy must pave the way for this development;

Or. en

Amendment 20 **Marietje Schaake**

Motion for a resolution

Recital A

Motion for a resolution

A. whereas many present and future challenges and threats to the EU are complex and will come from inside just as much as from outside the common borders; whereas a stronger political will for resolute common action on the part of the EU and its Member States **is needed in order** to respond effectively to these challenges, to safeguard the EU's values and societal model and to be a stronger global actor; whereas the EU Global Strategy on foreign and security policy must pave the way for this development;

Amendment

A. whereas many present and future challenges and threats to the EU are complex and will come from inside just as much as from outside the common borders; whereas **without** a stronger political will for resolute common action on the part of the EU and its Member States **it will be impossible** to respond effectively to these challenges, to safeguard the EU's values and societal model and to be a stronger global actor; whereas the EU Global Strategy on foreign and security policy must pave the way for this development;

Or. en

Amendment 21

Boris Zala

Motion for a resolution

Recital A

Motion for a resolution

A. whereas many present and future challenges and threats to the EU are complex and will come from inside just as much as from outside the common borders; whereas a stronger political will for resolute common action on the part of the EU and its Member States is needed in order to respond effectively to these challenges, to safeguard the EU's values and **societal model and to** be a stronger global actor; whereas the EU Global Strategy on foreign and security policy must pave the way for this development;

Amendment

A. whereas many present and future challenges and threats to the EU are complex and will come from inside just as much as from outside the common borders; whereas a stronger political will for resolute common action on the part of the EU and its Member States is needed in order to respond effectively to these challenges, to safeguard the EU's values and be a stronger global actor; whereas the EU Global Strategy on foreign and security policy must pave the way for this development;

Or. en

Amendment 22
Hilde Vautmans, Petras Auštrevičius

Motion for a resolution
Recital A

Motion for a resolution

A. whereas many present and future challenges and threats to the EU are complex and will come from inside just as much as from outside the common borders; whereas a stronger political will for resolute common action on the part of the EU and its Member States is needed in order to respond effectively to these challenges, to safeguard the EU's values and societal model and to be a stronger global actor; whereas the EU Global Strategy on foreign and security policy must pave the way for this development;

Amendment

A. whereas many present and future challenges and threats to the EU are complex and ***inter-related, and*** will come from inside just as much as from outside the common borders; whereas a stronger political will for resolute common action on the part of the EU and its Member States is needed in order to respond ***pro-actively, effectively and holistically*** to these challenges, to safeguard the EU's values and societal model and to be a stronger global actor; whereas the EU Global Strategy on foreign and security policy must pave the way for this development;

Or. en

Amendment 23
Arnaud Danjean

Motion for a resolution
Recital A a (new)

Motion for a resolution

Aa. whereas the EU must recognise the full extent of the deterioration in its immediate strategic environment, and its long-term consequences; whereas the fact that multiple crises are occurring simultaneously and having increasingly direct consequences within the EU means that no Member State can respond alone and that Europeans should exercise their responsibilities collectively to ensure their security;

Amendment

Or. fr

Amendment 24
Sabine Lösing

Motion for a resolution
Recital B

Motion for a resolution

B. whereas the threats identified in the 2003 European Security Strategy – terrorism, weapons of mass destruction, regional conflicts, state failure and organised crime – remain for the most part relevant; whereas *today* the EU *is faced with a number of additional challenges, such as the attempts by revisionist powers to redraw borders by force and challenge rules-based global order, climate change, major migratory flows, and cyber and hybrid warfare and threats;*

Amendment

B. whereas the threats identified in the 2003 European Security Strategy – terrorism, weapons of mass destruction, regional conflicts, state failure and organised crime – remain for the most part relevant; whereas the EU *has to reflect its escalating and negative role concerning many conflict situations especially in its immediate southern and eastern neighbourhood which have led to many of the additional challenges;*

Or. en

Amendment 25
Fabio Massimo Castaldo, Ignazio Corrao

Motion for a resolution
Recital B

Motion for a resolution

B. whereas the threats identified in the 2003 European Security Strategy – terrorism, weapons of mass destruction, regional conflicts, state failure and organised crime – remain for the most part relevant; whereas today the EU is faced with a number of additional challenges, such as *the attempts by revisionist powers to redraw borders by force and challenge rules-based global order, climate change, major migratory flows, and cyber and hybrid warfare and threats;*

Amendment

B. whereas the threats identified in the 2003 European Security Strategy – terrorism, weapons of mass destruction, regional conflicts, state failure and organised crime – remain for the most part relevant; whereas today the EU is faced with a number of additional challenges, such as *climate change and environmental degradation, major migratory flows, cyber and hybrid warfare and threats, repeated natural disasters and the spread of epidemic diseases;*

Or. it

Amendment 26
Louis Michel

Motion for a resolution
Recital B

Motion for a resolution

B. whereas the threats identified in the 2003 European Security Strategy – terrorism, weapons of mass destruction, regional conflicts, state failure and organised crime – remain for the most part relevant; whereas *today the EU is faced with a number of additional challenges, such as the attempts by revisionist powers to redraw borders by force and challenge rules-based global order, climate change, major migratory flows, and* cyber and hybrid warfare and threats;

Amendment

B. whereas the threats identified in the 2003 European Security Strategy – terrorism, weapons of mass destruction, regional conflicts, state failure and organised crime – remain for the most part relevant; whereas, *however, changes are taking place in the current security environment, characterised by crises on an unprecedented scale; whereas threats such as terrorism perpetrated by non-state actors have a global dimension; whereas crises beyond EU borders have a direct impact on the stability and security of the Union; whereas the EU is facing new challenges in this area, such as* cyber and hybrid warfare and threats;

Or. fr

Amendment 27
Ana Gomes

Motion for a resolution
Recital B

Motion for a resolution

B. whereas the threats identified in the 2003 European Security Strategy – terrorism, weapons of mass destruction, regional conflicts, state failure and organised crime – remain for the most part relevant; whereas today the EU is faced with a number of additional challenges, such as *the attempts by revisionist powers to redraw borders by force and challenge rules-based* global order, climate change,

Amendment

B. whereas the threats identified in the 2003 European Security Strategy – terrorism, weapons of mass destruction, regional conflicts, state failure and organised crime – remain for the most part relevant; whereas today the EU is faced with a number of additional challenges, such as *extremism and sectarian wars in its neighbourhood, attempts to redraw borders by force and other kinds of*

major migratory flows, *and cyber and* hybrid warfare and threats;

defiance to the global order *founded on the United Nations Charter*, climate change, *mass* migratory flows, *the largest refugee crisis since World War II*, *in addition to technological developments in space and cybernetics*, *nuclear proliferation and arms races*, hybrid *and asymmetric* warfare and threats;

Or. en

Amendment 28
István Ujhelyi

Motion for a resolution
Recital B

Motion for a resolution

B. whereas the threats identified in the 2003 European Security Strategy – terrorism, weapons of mass destruction, regional conflicts, state failure and organised crime – remain for the most part relevant; whereas today the EU is faced with a number of additional challenges, such as the attempts *by revisionist powers to redraw borders by force and* challenge rules-based global order, climate change, major migratory flows, *and* cyber and hybrid warfare and threats;

Amendment

B. whereas the threats identified in the 2003 European Security Strategy – terrorism, weapons of mass destruction, regional conflicts, state failure and organised crime – remain for the most part relevant; whereas today the EU is faced with a number of additional challenges, such as the attempts *to* challenge rules-based global order, climate change, major migratory flows, *transnational terrorism with returning foreign fighters*, cyber and hybrid warfare and threats, *domestic religious and political radicalization, authoritarian and extremists parties among the EU and major instabilities in the financial and economic order*;

Or. en

Amendment 29
Vincent Peillon

Motion for a resolution
Recital B

Motion for a resolution

B. whereas the threats identified in the 2003 European Security Strategy – terrorism, weapons of mass destruction, regional conflicts, state failure and organised crime – remain for the most part relevant; whereas today the EU is faced with a number of additional challenges, such as the attempts by revisionist powers to redraw borders by force and challenge rules-based global order, climate change, major migratory flows, and cyber and hybrid warfare and threats;

Amendment

B. whereas the threats identified in the 2003 European Security Strategy – terrorism, weapons of mass destruction, regional conflicts, state failure and organised crime – remain for the most part relevant; whereas today the EU is faced with a number of additional, ***serious and unprecedented*** challenges, such as the attempts by revisionist powers to redraw borders by force and challenge rules-based global order, climate change, major migratory flows, and cyber and hybrid warfare and threats;

3. Urges the EU in consequence to enhance coherent and structured cooperation on defence research, the industrial base and cyber defence through pooling and sharing, in order to use defence budgets more efficiently. The European Defence Agency's role needs to be strengthened and its resources increased to enable it to act more effectively. Member States should

Amendment

3. Urges the EU in consequence to enhance coherent and structured cooperation on defence research, the industrial base and cyber defence through pooling and sharing, in order to use defence budgets more efficiently. The European Defence Agency's role needs to be strengthened and its resources increased to enable it to act more effectively. Member States should

take more responsibility for building European capabilities and increase their military research expenditure through the EDA. Furthermore, a true European intelligence and forecasting capacity needs to be developed;

take more responsibility for building European capabilities and increase their military research expenditure through the EDA. Furthermore, a true European intelligence and forecasting capacity needs to be developed; ***calls on the Member States to intensify their exchange of information on intelligence-related issues, in particular by systematically entering information into European platforms such as the Schengen Information System (SIS) and the European Criminal Records Information System (ECRIS), to cross-check the information gathered with a view to improving terrorism prevention, and to strengthen cooperation with Europol; welcomes, in this connection, the opening of a European Counter Terrorism Centre;***

Or. fr

Amendment 135
Andrej Plenković

Motion for a resolution
Paragraph 3

Motion for a resolution

3. Urges the EU in consequence to enhance coherent and structured cooperation on defence research, the industrial base and cyber defence through pooling and sharing, in order to use defence budgets more efficiently. The European Defence Agency's role needs to be strengthened and its resources increased to enable it to act more effectively. Member States should take more responsibility for building European capabilities and increase their military research expenditure through the EDA. Furthermore, a true European intelligence and forecasting capacity needs to be developed;

Amendment

3. Urges the EU in consequence to enhance coherent and structured cooperation on defence research, the industrial base and cyber defence through pooling and sharing, in order to use defence budgets more efficiently. The European Defence Agency's role needs to be strengthened and its resources increased to enable it to act more effectively. Member States should take more responsibility for building European capabilities and increase their military research expenditure ***both nationally and*** through the EDA. Furthermore, a true European intelligence and forecasting capacity needs to be developed;

Amendment 136
Louis Michel, Hilde Vautmans

Motion for a resolution
Paragraph 3 a (new)

Motion for a resolution

Amendment

3a. Calls on the VP/HR to address the lack of clarity regarding the mutual defence clause contained in Article 42(7) TEU and to define the guidelines and procedures for its implementation in order to allow the Member States to respond effectively when it is invoked;

Or. fr

Amendment 137
Arnaud Danjean

Motion for a resolution
Paragraph 3 a (new)

Motion for a resolution

Amendment

3a. Supports the principle that the EU Member States should commit to using 2% of their GDP for defence expenditure by 2024 in order to attain a higher degree of defence capability;

Or. fr

Amendment 138
Michael Gahler

Motion for a resolution
Paragraph 3 a (new)

3a. Recalls the commitment of the Member States to achieve the collective target of 2 % of our defence spending on research funding and calls on them to live up to these ambitions; repeats its commitment for a EU funded future defence research and technology programme in the next multiannual financial framework (2021-2027); welcomes the signature of the delegation agreement between the European Commission and EDA setting up a pilot project on CSDP defence research as initiated by the European Parliament in the budget 2015; encourages the European Commission and EDA to improve their cooperation and the stake holder participation regarding setting up a preparatory action on defence research; welcomes the report of the Group of personalities on the preparatory action for CSDP-related research on 'European Defence Research'; invites the VP/HR and the Commission to present the European Parliament their plans on the future defence research and technology programme and to engage with Parliamentarians in an open debate;

Or. en

Amendment 139

Fabio Massimo Castaldo, Ignazio Corrao

Motion for a resolution

Paragraph 3 a (new)

3a. Considers it necessary to promote greater coordination between the national intelligence services of the Member States and to develop a regulatory framework that is suitable for establishing a truly

European intelligence service; takes note, in this regard, of the poor results of the sharing and coordination among intelligence services in Europol; regrets the absence of a binding obligation on Member States to ensure that relevant information is provided to Europol and to other Member States; hopes, therefore, that Europol's mandate will be strengthened and that the Member States will show greater commitment to coordinating their intelligence services;

Or. it

Amendment 140
Ana Gomes, Elena Valenciano

Motion for a resolution
Paragraph 3 a (new)

Motion for a resolution

Amendment

3a. Strongly believes that there is an urgent need to develop a true European intelligence and forecasting capacity; notes that the existing intelligence and information services within the national and EU systems have proved to be uncoordinated, ill-resourced in human intelligence (namely lacking languages, cyber and social media expertise) and perversely missing adequate democratic control; is of the view that inefficiency is mostly due to an obsolete and self-defeating reluctance by Member States in sharing information and intelligence among EU partners; calls for leadership and political will to ensure swift operation of a single effective intelligence and crisis structure in Brussels, under the authority of the HR/VP, and coordination with national intelligence structures, civilian and military; urges Member States to review national intelligence structures to avoid internal rivalry, facilitate European coordination and ensure democratic

oversight;

Or. en

Amendment 141

Michael Gahler

Motion for a resolution

Paragraph 3 b (new)

Motion for a resolution

Amendment

3b. Strongly criticises the Commission for not fulfilling in time its taskings of the European Council 2013 regarding an announced roadmap for a comprehensive EU-wide security-of-supply regime, an announced green paper on the control of defence and sensitive security industrial capabilities, monitoring defence and security procurement as well as 'government-to-government sales' in the defence sector;

Or. en

Amendment 142

Michael Gahler

Motion for a resolution

Paragraph 3 c (new)

Motion for a resolution

Amendment

3c. Notes the Council decision (CFSP) 2015/1835 of 12 October; calls on the head of the Agency and VP/HR to inform the European Parliament how this Council decision reflects the Parliament's repeated view strengthening EDA by financing the Agency's staffing and running costs from the Union budget; strongly criticises the government of the United Kingdom of blocking an increase of EDA's operational budget in the fifth

consecutive year risking to undermine the current and future tasks of the EDA;

Or. en

Amendment 143
James Carver

Motion for a resolution
Paragraph 4

Motion for a resolution

Amendment

4. Believes that a principal objective should be to move towards voluntary joint defence forces and the framing of a common defence policy which will ultimately lead to a common defence. Supports, therefore, the drafting of a White paper on EU Defence, thereby updating the Helsinki Headline Goal from 1999;

Amendment

6. Supports ***and sees the urgent need of*** efficient governance of global common domains such as sea, air, space and cyberspace; ***believes that the EU and its Member States should position themselves to influence the debate and steer action in the global fora, such as the UN, on the governance of those domains where EU strategic interests and security unfold; considers that the EU should steer global governance of the seas, not only for security interests but also for economic and commercial reasons, as outlined in the objectives set out in the European Maritime Security Strategy; notes, furthermore, that the EU has great responsibility and vital urgency in promoting governance of the cyber space globally, namely in light of cyber threats, mass surveillance and other threats to fundamental freedoms and to its own strategic and security interests that stem either from absence of regulation or from fragmented and excessive regulation and dominance of the cyber space by other powers;***

Amendment 185
István Ujhelyi

Motion for a resolution
Paragraph 6 a (new)

Motion for a resolution

Amendment

6a. Emphasises that measures related to security and defence policies have to be complemented by ample attention to the broader socio-economic, cultural and environmental causes of current problems;

Or. en

Amendment 186
Reinhard Bütikofer
on behalf of the Verts/ALE Group

Motion for a resolution
Paragraph 6 a (new)

Motion for a resolution

Amendment

6a. Calls on the HR and the EU Member States to use the Global Strategy as an instrument for clarifying and strengthening the Union's neighbourhood policy; is convinced that it is in this respect crucial to recreate a sense of solidarity within the Union and to link in a much more direct sense its responses to the East and the South;

Or. en

Amendment 187
Ana Gomes

Motion for a resolution
Paragraph 6 a (new)

Motion for a resolution

Amendment

6a. Strengthen European diplomacy to prevent conflict, support democracy and build alliances through mediation and dialogue;

Or. en

Amendment 188

Marietje Schaake, Hilde Vautmans

Motion for a resolution

Paragraph 6 a (new)

Motion for a resolution

Amendment

6a. Notes that the role technology plays in our societies growing and that EU policy must respond to the rapid changes in technological development; stresses in this regard the fundamental empowering role that the internet and technologies can play in development, democratisation and emancipation of citizens across the globe and therefore highlights the importance that the EU works to promote and safeguard the free and open internet and to protect digital rights;

Or. en

Amendment 189

Ana Gomes

Motion for a resolution

Paragraph 6 b (new)

Motion for a resolution

Amendment

6b. Stresses that for the Global Strategy to be successfully pursued and embraced by our citizens, allies and partners, the EEAS must have trained diplomats and

the necessary resources to develop and implement a strategic communication policy for the twenty-first century as well as the means to provide strategic direction and independence for the implementation of a comprehensive range of foreign policy instruments;

Or. en

Amendment 190
Marietje Schaake, Hilde Vautmans

Motion for a resolution
Paragraph 6 b (new)

Motion for a resolution

Amendment

6b. Stresses that the impact of technologies should also be reflected in the global strategy as well as in cybersecurity initiatives while as an integral part the improvement of human rights should be mainstreamed in all EU policies and programmes, if applicable, to advance the protection of human rights and the promotion of democracy, the rule of law and good governance, and peaceful conflict resolution;

Or. en

Amendment 191
Ana Gomes

Motion for a resolution
Paragraph 6 c (new)

Motion for a resolution

Amendment

6c. Underlines that the EU has already demonstrated that it can be effective when all EU institutions, resources and Member States unite to achieve important diplomatic achievements, such as in the

neighbourhood (e.g. Serbia and Kosovo, and in the Former Yugoslav Republic of Macedonia) as well as further afield (including in overcoming the nuclear crisis with Iran on behalf of the UN Security Council);

Or. en

Amendment 192

Ana Gomes

Motion for a resolution

Paragraph 6 d (new)

Motion for a resolution

Amendment

6d. Notes that in the face of a growing number of regional and international crises, the EU must invest more in early responses to prevent conflict including, through mediation and dialogue, in order to build resilience, strengthen fragile democracies and stem a rising tide of radicalisation and conflict;

Or. en

Amendment 193

Ana Gomes

Motion for a resolution

Paragraph 6 e (new)

Motion for a resolution

Amendment

6e. Takes the view that the European Parliament can play its full role within overall EU efforts to prevent conflict, drawing upon its own experience and using mediation and dialogue, by supporting inter-party dialogue and consensus-building and by strengthening the capacities of parliaments to be a space for the development of a peaceful

democratic culture;
