Or. en

Amendment 5

James Carver

Motion for a resolution

Paragraph 1

Motion for a resolution

Amendment

1. *Emphasises that Member States must change their mentality from a national to a European perspective, as the most effective solution to protect Europe from increased threats is common EU action; is concerned about the EU's security architecture, which remains fragile in the face of continued and fresh challenges every day and in which a 'hybrid peace' has become an unsatisfactory reality; urges the Member States to take action and fulfil the wishes of those European citizens who have repeatedly stressed that EU foreign and security policy is the most important and most necessary of all EU policies;*

1. *Reiterates that defence and foreign affairs are a competence of the member states; Cooperation is welcome on a bilateral and multilateral basis or through appropriate and tested structures, namely NATO; is of the opinion that the security of Europe as a whole is best guaranteed through NATO;*

Amendment 6**Jean-Luc Schaffhauser, Marie-Christine Arnautu****Motion for a resolution****Paragraph 1***Motion for a resolution*

1. Emphasises that *Member States* must change *their* mentality *from a national to a European perspective, as the most effective solution to protect Europe from increased threats is common EU action; is concerned about the EU's security architecture, which remains fragile in the face of continued and fresh challenges every day and in which a 'hybrid peace' has become an unsatisfactory reality; urges* the Member States to *take action* and *fulfil the wishes* of those European *citizens who* have *repeatedly stressed that EU foreign and security policy is the most important and most necessary of all EU policies;*

Amendment

1. Emphasises that *the European Union* must change *its* mentality *in line with the principle of subsidiarity and the fact that foreign policy, defence and security are Member State competences; notes that, in order to put the Commission at the service of the Member States, there must be no more kowtowing to external powers and to those European states which have chosen to slavishly follow them;*

Amendment 7**Charles Tannock, Anna Elżbieta Fotyga****Motion for a resolution****Paragraph 1***Motion for a resolution*

1. Emphasises that *Member States* must change *their* mentality *from a national to a European perspective, as the most effective solution to protect Europe from increased threats is common EU action; is concerned about the EU's security architecture, which remains fragile in the face of continued and fresh*

Amendment

1. Emphasises that *the EU's foreign and security policy can be an important means for advancing multilateral, shared concerns and as an effective solution to protecting Europe from increased threats;*

challenges every day and in which a 'hybrid peace' has become an unsatisfactory reality; urges the Member States to take action and fulfil the wishes of those European citizens who have repeatedly stressed that EU foreign and security policy is the most important and most necessary of all EU policies;

Or. en

Amendment 8
Georgios Epitideios

Motion for a resolution
Paragraph 1

Motion for a resolution

1. *Emphasises that Member States must change their mentality from a national to a European perspective, as the most effective solution to protect Europe from increased threats is common EU action; is concerned about the EU's security architecture, which remains fragile in the face of continued and fresh challenges every day and in which a 'hybrid peace' has become an unsatisfactory reality; urges the Member States to take action and fulfil the wishes of those European citizens who have repeatedly stressed that EU foreign and security policy is the most important and most necessary of all EU policies;*

Amendment

1. *Is concerned about the EU's security architecture, which remains fragile in the face of continued and fresh challenges every day and in which a 'hybrid peace' has become an unsatisfactory reality;*

Or. el

Amendment 9
Fabio Massimo Castaldo

Motion for a resolution
Paragraph 1

Motion for a resolution

1. Emphasises that ***Member States must change their mentality from a national to a European perspective, as*** the most effective solution to protect Europe from increased threats ***is common EU action***; is concerned about the EU's security architecture, which remains fragile in the face of continued and fresh challenges every day and in which a hybrid peace has become an unsatisfactory reality; ***urges the Member States to take action and fulfil the wishes of those European citizens who have repeatedly stressed that EU foreign and security policy is the most important and most necessary of all EU policies***;

Amendment

1. Emphasises that ***joint Union action is*** the most effective solution to protect Europe from increased threats; is concerned about the EU's security architecture, which remains fragile in the face of continued and fresh challenges every day and in which a 'hybrid peace' has become an unsatisfactory reality;

Or. it

Amendment 10
Marietje Schaake

Motion for a resolution
Paragraph 1

Motion for a resolution

1. Emphasises that ***Member States must change their mentality from a national to a European perspective, as*** the most effective solution to protect Europe from increased ***threats*** is common EU action; ***is concerned about the EU's security architecture, which remains fragile in the face of continued and fresh challenges every day and in which a 'hybrid peace' has become an unsatisfactory reality***; urges the Member States to take action and fulfil the wishes of those European citizens who have repeatedly stressed that EU foreign and security policy is the most important and most necessary of all EU policies;

Amendment

1. Emphasises that the most effective solution to protect Europe from increased ***threats*** is common EU action; ***notes that the EU is faced with new challenges, including in the global digital sphere; reminds the member states that common EU action required to effectively protect the open internet and its users***; urges the Member States to take action and fulfil the wishes of those European citizens who have repeatedly stressed that ***an*** EU foreign and security policy ***based on fundamental values and human rights*** is the most important and most necessary of all EU policies;

Amendment 11
Knut Fleckenstein

Motion for a resolution
Paragraph 1

Motion for a resolution

1. Emphasises that ***Member States must change their mentality from a national to a European perspective, as the most effective solution to protect Europe from increased threats is common EU action; is concerned about the EU's security architecture, which remains fragile in the face of continued and fresh challenges every day and in which a 'hybrid peace' has become an unsatisfactory reality***; urges the Member States to take action and fulfil the wishes of those European citizens who have repeatedly stressed that EU foreign and security policy is the most important and most necessary of all EU policies;

Amendment

1. Emphasises that ***common EU action is the most effective way to preserve Europe's interests, uphold its values, engage in a wider world as a united and influential global actor and protect its citizens and Member States from increased threats to their security***; urges the Member States to take action and fulfil the wishes of those European citizens who have repeatedly stressed that EU foreign and security policy is ***one of*** the most important and most necessary of all EU policies;

Or. en

Amendment 12
Arnaud Danjean

Motion for a resolution
Paragraph 1

Motion for a resolution

1. ***Emphasises that Member States must change their mentality from a national to a European perspective, as the most effective solution to protect Europe from increased threats is common EU action; is concerned about the EU's security architecture, which remains fragile in the face of continued and fresh***

Amendment

1. ***Is convinced that no single Member State alone is able to tackle any of the challenges we face today***; is concerned about the EU's security architecture, which remains fragile in the face of continued and ***unprecedented*** challenges every day; urges the Member States to take action and fulfil the wishes

challenges every day *and in which a 'hybrid peace' has become an unsatisfactory reality*; urges the Member States to take action and fulfil the wishes of those European citizens who have repeatedly stressed that EU foreign and security policy is the most important and most necessary of all EU policies;

of those European citizens who have repeatedly stressed that EU foreign and security policy is the most important and most necessary of all EU policies;
considers that it is high time that Member States implement CFSP tools, instruments and policies to enable the EU to respond to external conflicts and crises, build partners' capacities, and protect the European Union;

Or. en

Amendment 13 **Andrejs Mamikins**

Motion for a resolution **Paragraph 1**

Motion for a resolution

1. Emphasises that *Member States must change their mentality from a national to a European perspective, as the most effective solution to protect Europe from increased threats is common EU action; is concerned about the EU's security architecture, which remains fragile in the face of continued and fresh challenges every day and in which a 'hybrid peace' has become an unsatisfactory reality*; urges the Member States to take action and fulfil the wishes of those European citizens who have repeatedly stressed that EU foreign and security policy is the most important and most necessary of all EU policies;

Amendment

1. Amendment 21
Victor Boştinaru

Motion for a resolution
Paragraph 1 a (new)

Motion for a resolution

Amendment

1a. Recalls that the European Union is one of the greatest European achievements and it has brought peace, stability and prosperity to its citizens and exerted its transformative power in its neighbourhood, with many states becoming EU Member States; recalls therefore that Enlargement policy is one of the EU's most successful policies and that it is important it remains credible for the candidate and future candidate countries; emphasises that the EU is one of the largest economic powers, the biggest donor of humanitarian and development assistance and a strong actor and defender of global multilateral diplomacy on issues such as climate change, international justice and human rights;

Or. en

Amendment 22
Tamás Meszerics
on behalf of the Verts/ALE Group

Motion for a resolution
Paragraph 1 a (new)

Motion for a resolution

Amendment

1a. Stresses that the current decision-making process in the EU Foreign Policy based on unanimity at Council level is the main obstacle to an effective and timely external action of the EU; is of the opinion that qualified majority voting should be applied also in foreign policy and urges Member States from now on to refrain from using or from threatening to use the veto power in Foreign Affairs Council meetings;

Or. en

Amendment 23
Charles Tannock

Motion for a resolution
Paragraph 1 a (new)

Motion for a resolution

Amendment

1a. Believes that the European Union and its Member States must develop effective foreign, security, and defence policies which respect national interests but also seek to work together with NATO and other international partners, the United Nations, NGOs, human rights defenders, and others on issues of shared concern and in order to promote peace, prosperity, and stability around the world;

Paragraph 7 a (new)

Motion for a resolution

Amendment

7a. Welcomes the continued successful implementation of the Joint Comprehensive Plan of Action (JCPOA), agreed by the EU3 +3 with Iran, by all parties, including Iran as confirmed by the reports issued by the IAEA(International Atomic Energy Agency); stresses that the continued full implementation of this agreement by all parties is key to global efforts on non-proliferation and conflict resolution in the Middle East; is therefore concerned by the uncertainty created by the statements of the members of the US administration regarding the US continued commitment to the JCPOA; calls on the Council and the EEAS to prepare effective measures to protect the interests of the EU, including its economic actors, should the US decide to withdraw from the JCPOA, or take actions inconsistent with its letter and spirit; is strongly opposed to the threat of the US extraterritorial sanctions against European companies that engage in legal and transparent business activities in third countries; calls on the Council and the EEAS to consistently raise this concern in their dialogue with the US Government and device a united and effective EU approach to protect the competitiveness and legitimate interests of the European economic actors subject to

extraterritorial sanctions; calls on the Council and the Member states to effectively promote compliance with international humanitarian law, as provided in the relevant EU guidelines; calls, in this respect, on all the Member States to strictly adhere to the Council Common Position 2008/944/CFSP of 8 December 2008 on arms trade, and withdraw licences for arms sales in situations where clear violations of the Common Position exist;

Paragraph 7 a (new)

Motion for a resolution

Amendment

7a. Reiterates that a lasting peace between Israel and Palestine remains a priority for the EU and an indispensable element for regional and global stability and security; believes that the best outcome would be a two-state solution on the basis of the 1967 borders, with an independent, democratic, viable and contiguous Palestinian state living side-by-side in peace and security with the secure State of Israel; calls on both parties to remain engaged to credible peace efforts and refrain from steps which could spark further escalation and generate further mistrust; stresses that protecting and preserving the viability of the two-state solution must be the priority in EU policies and action with regard to the Israeli-Palestinian conflict and the Middle-East peace process; stresses the importance of engaging with other international actors in this regard; underlines that, in order to support a

genuine European peace initiative, it is the primary duty of the Member states to contribute actively to the shaping of a united European position and to refrain from unilateral initiatives that weaken European action;

Amendment 222
Hilde Vautmans

Motion for a resolution
Paragraph 12 a (new)

Motion for a resolution

Amendment

12a. Strongly condemns any attempt of sitting presidents to overstay in power by violating, evading or unlawfully amending the existing electoral laws, and in particular the constitution; also condemns any strategy to abolish or circumvent term limits; urges all governments to take measures to ensure the transparency and integrity of the entire electoral process, and to take all necessary measures and precautions to prevent the perpetration of fraud or any illegal practices; expresses in this regard its concern at the political crises, and related violence and violations of human rights and fundamental freedoms, in particular countries in the Great Lakes Region; reiterates its belief in strong electoral observation missions, and where necessary, financial, technical and logistical support as means of achieving fair, credible and democratic electoral processes;

Amendment 223
Ana Gomes

Motion for a resolution
Paragraph 12 a (new)

Motion for a resolution

Amendment

12a. Strongly supports the continued full implementation of the JCPOA (Joint Comprehensive Plan of Action) between the EU3+3 and Iran by all sides and the role of the HR/VP Federica Mogherini as the chair of the Joint Commission to oversee the implementation of the agreement; rejects as unfounded statements by some members of the US administration that Iran is in violation of the terms of the agreement, since reports of the International Atomic Energy Agency have repeatedly confirmed Iran's compliance; warns that the unravelling of the agreement would have profoundly destabilising consequences for the region; reiterates that the opening of the EU delegation in Tehran is urgent and supports all efforts of the EEAS towards that end;

Or. en

Amendment 224
Sabine Lösing

Motion for a resolution
Paragraph 12 a (new)

Motion for a resolution

Amendment

12a. Rejects every proposal which refocuses development policy, in particular in Africa, under the new prism of migration management; stresses that

there should be no conditionality between development assistance and cooperation from beneficiary countries on migration issues; opposes any attempts to link aid with border control, management of migratory flows or readmission agreements; recalls in this regard the strengthening and improving of public local services (e.g. health, education, nutrition) and political participation, and that third countries' governments, together with civil society, local and international NGOs, should play a pivotal role;

Or. en

Amendment 225
Tokia Saïfi

Motion for a resolution
Paragraph 12 a (new)

Motion for a resolution

Amendment

12a. Points out that the review of the European Neighbourhood Policy (ENP) includes plans to involve third countries that are neighbours of the EU's neighbourhood partner countries in the context of extended cooperation frameworks; urges, therefore, that thematic frameworks be set up to offer cooperation between the Union, the Southern neighbourhood partner countries and key regional players, especially in Africa, on regional issues such as security, energy and the management of migratory flows;

Or. fr

Amendment 226
Charles Tannock, Anna Elżbieta Fotyga

Motion for a resolution

Paragraph 12 a (new)

Motion for a resolution

Amendment

12a. Encourages the development of a coherent, robust strategy for the Sahel region aimed at improving governance and the accountability and legitimacy of state and regional institutions, boosting security, tackling radicalization, the trafficking of people, arms and drugs, and strengthening economic and development policies;

Or. en

Amendment 227

Charles Tannock

Motion for a resolution

Paragraph 12 b (new)

Motion for a resolution

Amendment

12b. Recognises that climate change could have a series effect on regional and global stability, as global warming disputes over territory, food, water, and other resources weaken economies, threaten regional security, and act as a source of migratory flows; further encourages the EU and its Member States to consider how national and EU military planning can include climate change adaption strategies and what would be considered an appropriate capability, priority, and response;

Or. en

Amendment 228

Ana Gomes

Motion for a resolution

Paragraph 12 b (new)

Motion for a resolution

Amendment

12b. Strongly condemns strikes on civilian neighbourhoods by the Saudi-led coalition in Yemen; calls for independent international investigation of these actions that may amount to war crimes and for holding the responsible accountable; emphasises once again that there can be no military solution to the prolonged conflict in Yemen and supports efforts of the EU and UN towards achieving the ceasefire and laying the ground for peace negotiations;

Or. en

Amendment 229

Charles Tannock

Motion for a resolution

Paragraph 12 c (new)

Motion for a resolution

Amendment

12c. Encourages a renewed relationship between the EU, its Member States, and Iran with both sides working closely on bilateral and multilateral issues to ensure a more stable region and effective implementation of the nuclear deal; deplores, however, Iranian actions aimed at destabilising the region;

Or. en
