C. whereas the EU is ***at present*** better equipped to deal with internal security and NATO to manage external defence; whereas the EU is developing in an accelerated way to bolster its defence;

Or. de

Amendment 47
Michèle Alliot-Marie

Motion for a resolution
Recital C a (new)

Motion for a resolution

Amendment

Ca. whereas the West's two major organisations that have Europe at the centre of their activities, the EU and NATO, are making progress on enhancing their cooperation in facing complex threats, both conventional and hybrid, generated by state and non-state actors, coming from the South and the East, but also the North and the West; whereas neither organisation has the full range of tools needed to address them all on its own;

Or. fr

Amendment 48
Michèle Alliot-Marie

Motion for a resolution
Recital C b (new)

Motion for a resolution

Amendment

Cb. whereas this particular context is a historic opportunity to move forward with the establishment of a real European defence mechanism; whereas the EU must ensure its security and has a duty to protect its citizens by addressing threats to it; and whereas European citizens expect the EU to protect them;

Or. fr

Amendment 49
Arnaud Danjean

Motion for a resolution
Recital C a (new)

Motion for a resolution

Amendment

Ca. whereas the defence of Europe depends on the political will and the

military capability of the Europeans to shoulder their responsibilities in an uncertain strategic environment;

Or. fr

Amendment 50
Arnaud Danjean

Motion for a resolution
Recital C b (new)

Motion for a resolution

Amendment

Cb. whereas the EU explicitly recognises the role of NATO in Europe's defence (Article 42.7 TEU); and with regard to capability, NATO remains a crucial guarantor of the technical and human interoperability of the allied forces and the consistency of their equipment policies;

Or. fr

Amendment 51
Jean-Luc Schaffhauser

Motion for a resolution
Recital D

Motion for a resolution

Amendment

D. whereas the EU and NATO, both engaged in crisis management, would be more efficient in that activity if they were to act in a truly coordinated manner and make the most of their expertise and resources;

D. whereas Article 5 of the NATO Treaty has no credibility and constitutes false security for the signatory states. This false security encourages an aggressive stance by small states which are hijacking the other members of the Alliance, inter alia in their relations with Russia, and are transforming the continent into a conflict zone;

Or. fr

Amendment 52
Andrea Bocskor

Motion for a resolution
Recital D

Motion for a resolution

D. whereas the EU and NATO, both engaged in crisis management, ***would be more efficient in that activity if they were to act in a truly coordinated manner*** and make the most of their expertise and resources;

Amendment

D. whereas the EU and NATO, both engaged in crisis management, ***should further strengthen coordination between them*** and make the most of their expertise and resources;

Or. en

Amendment 53
Geoffrey Van Orden, Anna Elżbieta Fotyga

Motion for a resolution
Recital D

Motion for a resolution

D. whereas the EU and NATO, both engaged in crisis management, would be more efficient in that activity if they were to act in a ***truly*** coordinated manner and make the most of their expertise and resources;

Amendment

D. whereas the EU and NATO, both engaged in crisis management, would be more efficient in that activity if they were to act in a ***more*** coordinated manner and make the most of their expertise and resources; ***recognising that NATO must continue to have primacy in matters relating to high-intensity warfare and collective defence;***

Amendment 217

Urmas Paet

Motion for a resolution Paragraph 13 a (new)

Motion for a resolution

Amendment

13a. Urges the EU and NATO to organise regular strategic level exercises with the participation of the top political leadership of both organisations; welcomes, in this regard, the Estonian exercise EU CYBRID 2017 where, for the first time, the Secretary General of NATO participated in an EU exercise;

Or. en

Amendment 218

Marietje Schaake, Hilde Vautmans

Motion for a resolution

Paragraph 13 a (new)

Motion for a resolution

Amendment

13a. Stresses the urgent need to overcome tensions between NATO Allies such as between Turkey and the United States around Afrin; calls for a NATO-led dialogue to overcome these tensions;

Or. en

Amendment 219

Anders Primdahl Vistisen

Motion for a resolution

Paragraph 13 a (new)

Motion for a resolution

Amendment

13a. Welcomes the continued expansion in cooperation on cyber defence, including through regular expert talks and the participation in each other's flagship cyber defence exercises;

Amendment 220
Fabio Massimo Castaldo

Motion for a resolution
Paragraph 13 a (new)

Motion for a resolution

Amendment

13a. Considers that the development of common standards, procedures, trainings and exercises should be considered as an important enabler for a more efficient EU-NATO cooperation;

Or. en

Amendment 221
Urmas Paet

Motion for a resolution
Paragraph 13 b (new)

Motion for a resolution

Amendment

13b. Calls on the Member States to aim for the target of 2% of GDP for defence spending, and to spend 20% of their defence budgets on equipment identified as necessary through the EDA, including related research and development;

Or. en

Amendment 222
Jean-Luc Schaffhauser

Motion for a resolution
Paragraph 14

Motion for a resolution

Amendment

14. Notes that security threats have become more hybrid and less conventional, and that international cooperation is required to tackle them; calls for the EU and NATO to further build resilience and to develop shared situational awareness of hybrid threats; encourages the EU and NATO to synchronise their crisis response mechanisms in order to provide coherent responses to hybrid threats;

deleted

Amendment 223

Hilde Vautmans, Ilhan Kyuchyuk, Petras Auštrevičius, Jozo Radoš, María Teresa Giménez Barbat, Urmas Paet, Javier Nart, Patricia Lalonde, Marietje Schaake

Motion for a resolution

Paragraph 14

Motion for a resolution

14. Notes that security threats have become more hybrid and less conventional, and that international cooperation is required to tackle them; calls for the EU and NATO to further build resilience and to develop shared situational awareness of hybrid threats; encourages the EU and NATO to **synchronise** their crisis response mechanisms in order to provide coherent responses to hybrid threats;

Amendment

14. Notes that security threats have become more hybrid and less conventional, and that international cooperation is required to tackle them; calls for the EU and NATO to further build resilience and to develop shared situational awareness of hybrid threats; encourages the EU and NATO to **synchronise** their crisis response mechanisms in order to provide coherent responses to hybrid threats; **welcomes in this regard the separate but parallel exercises, PACE17 and CMX17, which were held in 2017 and through which respectively EU and NATO staff tested their respective procedures for communicating and sharing information during an unfolding fictitious hybrid threat;**

Or. en

Amendment 224

Geoffrey Van Orden, Anna Elżbieta Fotyga

Motion for a resolution

Paragraph 14

Motion for a resolution

14. Notes that security threats have become **more** hybrid **and less** conventional, and that international cooperation is required to tackle them; calls for the EU and NATO to further build resilience and to develop shared situational awareness of hybrid threats; encourages **the EU and NATO to synchronise** their crisis response mechanisms in order to provide coherent responses to hybrid threats;

Amendment

14. Notes that security threats have become hybrid **as well as** conventional and that international cooperation is required to tackle them; **applauds the concerted action by western allies in response to the suspected Russian chemical attack in the UK**; calls for the EU and NATO to further build resilience and to develop shared situational awareness of hybrid threats; encourages **Member States of both organisations to improve** their crisis response mechanisms in order to provide coherent responses to hybrid threats; **encourages European countries to create Hybrid Excellence Centres, drawing on the example of Helsinki**;

Or. en

Amendment 225

Fabio Massimo Castaldo

Motion for a resolution

Paragraph 14

Motion for a resolution

14. Notes that security threats **have become more hybrid and less** conventional, and that international cooperation is required to tackle them; calls for the EU and NATO to further build resilience and to develop shared situational awareness of hybrid threats; encourages the EU and NATO to synchronise their crisis response mechanisms in order to provide coherent responses to hybrid threats;

Amendment

14. Notes that security threats **span from** conventional **to hybrid threats** and that international cooperation is required to tackle them; calls for the EU and NATO to further build resilience and to develop shared situational awareness of hybrid threats; encourages the EU and NATO to synchronise their crisis response mechanisms in order to provide coherent responses to hybrid threats;

Amendment 226
Arnaud Danjean

Motion for a resolution
Paragraph 14

Motion for a resolution

14. Notes that security threats have become more hybrid and less conventional, and that international cooperation is required to tackle them; calls for the EU and NATO to further build resilience and to develop shared situational awareness of hybrid threats; encourages the EU and NATO to *synchronise* their crisis response mechanisms in order to provide coherent responses to hybrid threats;

Amendment

14. Notes that security threats have become more hybrid and less conventional, and that international cooperation is required to tackle them; calls for the EU and NATO to further build resilience and to develop shared situational awareness of hybrid threats; encourages the EU and NATO to *coordinate* their crisis response mechanisms in order to provide coherent responses to hybrid threats;

Or. fr

Amendment 227
Anders Primdahl Vistisen

Motion for a resolution
Paragraph 14

Motion for a resolution

14. Notes that security threats have become more hybrid and less conventional, and that international cooperation is required to tackle them; calls for the EU and NATO to further build resilience and to develop shared situational awareness of hybrid threats; encourages the EU and NATO to synchronise their crisis response mechanisms in order to provide coherent responses to hybrid threats;

Amendment

14. Notes that security threats have become more hybrid and less conventional, and that international cooperation is required to tackle them; *welcomes the recent joint inauguration of NATO's Hybrid Centre of Excellence by the NATO Secretary General and EU High Representative for Foreign Affairs and Security Policy and* calls for the EU and NATO to further build resilience and to develop shared situational awareness of hybrid threats; encourages the EU and NATO to synchronise their crisis response mechanisms in order to provide coherent

responses to hybrid threats;

Or. en

Amendment 228

Geoffrey Van Orden, Anna Elżbieta Fotyga

Motion for a resolution

Paragraph 14 – point b (new)

Motion for a resolution

Amendment

(b) Calls on the EU to assist in follow up to NATO's Civil Emergency Planning Committee's seven base line requirements of resilience, these being: assured continuity of government and critical services, protection of energy supply, ability to handle uncontrolled population movements, preservation of water and food resources, ability to deal with mass casualties, protection of transportation systems, and preservation of civil communications systems; as such encourages further efforts of NATO's Civil Emergency Planning Committee to continue its work in creating a deployable expert team that will be made up of joint NATO & EU experts that will engage in joint assessments of each member country;

Or. en

Amendment 229

Anders Primdahl Vistisen

Motion for a resolution

Paragraph 14 b (new)

Motion for a resolution

Amendment

14b. Recognises NATO's Civil Emergency Planning Committee's current

metric of measuring resilience among its Member States is based on seven base line requirements of resilience comprising: assured continuity of government and critical services, protection of energy supply, ability to handle uncontrolled population movements, preservation of water and food resources, ability to deal with mass casualties, protection of transportation systems, and preservation of civil communications systems and thus encourages further efforts of NATO's Civil Emergency Planning Committee to continue its work in creating a deployable expert team that will be made up of joint NATO & EU experts that will engage in joint assessments of each member country;

Or. en

Amendment 230
Fabio Massimo Castaldo

Motion for a resolution
Paragraph 14 a (new)

Motion for a resolution

Amendment

14a. Recalls that standardisation, interoperability, joint exercises and procedures have always been some of the main assets of NATO; therefore, welcomes more activities in these fields which can facilitate exchanges and lessons learned between different militaries, if possible including also non-NATO and non-EU countries; emphasises that a deeper cooperation in these fields will be an important enabler for facilitating future tactical and strategic cooperation between the EU and NATO;

Or. en

Amendment 231

Geoffrey Van Orden, Anna Elżbieta Fotyga

Motion for a resolution

Paragraph 14 – point a (new)

Motion for a resolution

Amendment

(a) Welcomes the NATO Warsaw Summit's decision to enhance resilience by calling on governments to increase investments designed to prepare, deter and defend against hybrid warfare threats via creation of arrangements, policies, legislation, procedures and collection of resources;

Or. en

on behalf of the Verts/ALE Group

Motion for a resolution **Paragraph 26**

Motion for a resolution

26. *Considers that the next EU-NATO Joint Declaration, to be adopted at the upcoming NATO summit in July 2018, should initiate the process of reviewing the ‘Berlin Plus’ arrangements; considers in this context that capabilities developed under PESCO should be available for NATO operations and that PESCO projects should be opened to non-EU members of NATO, such as Norway and, in view of Brexit, the UK; stresses that the review of ‘Berlin Plus’ should provide the framework of cooperation not only for crisis management but also for ensuring security together on the continent;*

Amendment

26. *Believes that there is no need for further declarations on future EU-NATO cooperation but more efforts with regards to the implementation of the many commitments already made; believes that PESCO has the potential to also strengthen European military capabilities in general as it should increase interoperability of European armed forces; however, recalls that PESCO is not open to third countries and is, according to Article 42(6) TEU, an exclusive mechanism for those Member States whose military capabilities fulfil higher criteria and which have made more binding commitments to one another in this area with a view to the most demanding missions;*

Paragraph 30 b (new)

Motion for a resolution

Amendment

30b. Stresses the importance of the principles enshrined in the Vienna Document, in particular the principle of openness and transparency; welcomes in this regard the openness of EU and NATO military exercises and joint exercises to international observers;

Or. en

Amendment 356

Hilde Vautmans, Ilhan Kyuchyuk, Petras Auštrevičius, Jozo Radoš, María Teresa Giménez Barbat, Patricia Lalonde, Urmas Paet, Marietje Schaake

Motion for a resolution

Paragraph 30 c (new)

Motion for a resolution

Amendment

30c. Reiterates the important role of women in CSDP and NATO missions, in particular in dealing with women and children in conflict areas; welcomes the fact that both the EU and NATO have recognised this important role; recommends the EU and NATO to proactively promote gender diversity in their structures and operations;

Or. en

Amendment 357
Jonás Fernández

Motion for a resolution
Paragraph 30 a (new)

Motion for a resolution

Amendment

30a. Suggests that the EU VP/HR becomes a permanent invitee to the meetings of the NATO North Atlantic Council;

Or. en

Amendment 358
Fabio Massimo Castaldo

Motion for a resolution
Paragraph 30 a (new)

Motion for a resolution

Amendment

30a. Underlines the key role of some non-NATO major allied countries also for the EU security interests; welcomes the possibility to develop further security talks and trainings with these countries, especially on common EU-NATO security and defence issues;

Or. en

Amendment 359
Geoffrey Van Orden, Anna Elżbieta Fotyga

Motion for a resolution
Paragraph 30 a (new)

Motion for a resolution

Amendment

30a. Emphasises the need for the EU to ensure a close security and defence relationship with the United Kingdom after Brexit, acknowledging that the UK

will remain a lead contributor to European defence as both a NATO member and European nation, whilst no longer being a member of the EU;

Or. en

Amendment 360
Jean-Luc Schaffhauser

Motion for a resolution
Paragraph 31

Motion for a resolution

Amendment

31. Instructs its President to forward this resolution to the European Council, the Council, the Commission, the VP/HR, the Secretary-General of NATO, the EU agencies in the security and defence fields, the governments and national parliaments of the EU Member States and the NATO Parliamentary Assembly.
