Paragraph 24 a (new)

Motion for a resolution

Amendment

24a. Considers that there is a need for new and additional sources of finance and looks forward to agreement on innovative means by which this financing can be raised; following the report of the High-Level Advisory Group on Climate Change Financing, advocates that options for an agreement should include international financial transaction taxes and finance from international aviation and shipping, whilst safeguarding the right to mobility of inhabitants of small and medium-sized insular territories;
