Paragraph 11

Motion for a resolution

Amendment

11. Calls on the Commission and the Vietnamese authorities to negotiate effective and transparent procurement systems so as to ensure fair competition between private and state-owned enterprises in the award of public contracts, and to ensure the broadest possible coverage, to include public-sector undertakings, while duly taking into account mutual sensitivities and needs;

11. Calls on the Commission and the Vietnamese authorities to negotiate effective and transparent procurement systems so as to ensure fair competition between private and state-owned enterprises in the award of public contracts, and to ensure the broadest possible coverage, to include public-sector undertakings, while duly taking into account mutual sensitivities and needs; ***stresses, however, that public procurement is a fundamental tool for economic development for developing countries (DCs) and that practically no DCs have accessed the Government Procurement Agreement (GPA); recalls, however, that the GPA gives DCs the possibility to apply offsets and exceptions to the principle of national treatment; calls on the Commission to refrain from seeking market access and national treatment commitments from Vietnam, including in the green energy sector;***
