Paragraph 6 a (new)

Motion for a resolution

Amendment

6a. Is convinced that only a very careful implementation of the agreement provisions with long implementation periods can develop and maintain national industrial production and consumption; stresses that small producers, in particular in the agricultural sector, need protective measures in order to maintain their production when confronted with cheap imports stemming from European agrobusiness;

Paragraph 43 a (new)

Motion for a resolution

Amendment

43a. Points to the fact that the main text of the Multi-Party Trade Agreement between the EU and Colombia and Peru had not undergone any substantial change when it was signed by Ecuador; regrets that it therefore bears the same contradictions with respect to a sustainable, endogenous development path; underlines that it limits the margin for genuine policy-making; therefore recommends refusing consent to the accession;
