MOTION FOR A RESOLUTION

pursuant to Rule 133 of the Rules of Procedure
on labelling products derived from GMO-fed animals

Sophie Montel, Florian Philippot

Motion for a European Parliament resolution on labelling products derived from GMO-fed animals

The European Parliament,

- having regard to Rule 133 of its Rules of Procedure,
- A. whereas some 90% of cattle reared in France may have been fed with imported genetically modified organisms (GMOs);
- B. whereas unlabelled products, such as milk, eggs and meat, may be involved;
- C. whereas consumers' right to information requires greater transparency within the agricultural production process;
- 1. Calls on the Commission and the Council to make clear labelling of all products derived from GMO-fed animals compulsory.
