MOTION FOR A RESOLUTION

pursuant to Rule 133 of the Rules of Procedure

on the protection of the region and hydrogeological instability in Member States

Gianluca Buonanno

Motion for a Parliament resolution on the protection of the region and hydrogeological instability in Member States

The European Parliament,

- having regard to Rule 133 of its Rules of Procedure,
- A. whereas disasters and damage caused by bad weather are increasingly frequent in many Member States;
- B. whereas many citizens have lost their lives during catastrophes ensuing from bad weather;
- C. whereas the numerous catastrophes are increasingly destabilising the hydrogeological structures of the affected regions, besides causing serious financial damage to productive activities;
- D. whereas there is a need for more accurate monitoring of EU regions to prevent further environmental damage and further loss of human lives;
- 1. Believes that greater attention should be paid to the issue, which should be regarded as a priority in the European environmental framework;
- 2. Proposes immediate action to the Commission for the prevention of hydrogeological instability in Member States.
