B8-0290/2017

Karima Delli

on behalf of the Committee on Transport and Tourism
Road transport in the European Union

Motion for a resolution

Paragraph 19 a (new)

Motion for a resolution

Amendment

19a. Considers it of the utmost importance to remind the Commission of its own commitments made in the proposal for a European Pillar of Social Rights, in particular as regards:

– secure and adaptable employment, principle 5d: ‘Employment relationships that lead to precarious working conditions shall be prevented, including by prohibiting abuse of atypical contracts. Any probation period should be of reasonable duration’;

– fair wages, principle 6a: ‘Workers have the right to fair wages that provide for a decent standard of living’;

recalls that any initiative made by the Commission as regards road transport must not go against this principle nor endanger workers’ rights in this sector;
