Proposal for a decision

Paragraph 4

Proposal for a decision

4. Notes that the information provided on the coordinated package of personalised services to be funded from the EGF includes detailed information on the complementarity with actions funded by the Structural Funds; reiterates its call to present a comparative evaluation of these data in its annual reports as well;

Amendment

4. Notes that the information provided on the coordinated package of personalised services to be funded from the EGF includes detailed information on the complementarity with actions funded by the Structural Funds; reiterates its call to present a comparative evaluation of these data in its annual reports as well, ***including an evaluation of the effects these temporary and personalised services have on the long-term reintegration into the labour market of the redundant workers;***

Or. en

Justification

The European Parliament should obtain sufficient data and analysis on whether any workers who received alternative training with the help of the EGF also managed to get permanent employment, as the EP should not be contributing to short-term contracts without long-term employment prospects.
