*Amendment*

2. Notes that the decrease in budgetary appropriations related to the European Maritime and Fisheries Fund and the reserve for Sustainable Fisheries Partnership Agreements amounts to a total decrease of EUR 76,3 million in commitment appropriations and of EUR 6,2 million in payment appropriations, mainly resulting from the later adoption of the legal basis for the Fund and the updated assessment of the status of negotiations linked to the previously mentioned Fisheries Agreements; ***Expresses its concern about the 53% decrease of the total amount of the above commitment appropriations in the 2014 Budget considering that in the draft Annual 2015 Budget the scheduled total amount of the European Maritime and Fisheries Fund and the reserve for Sustainable Fisheries Partnership Agreements is already decreased by 33,7%;***
